This manual is for pesticide applicators studying to become certified as licensed pesticide applicators to control pests under the provisions of the Florida Pesticide Law and its rules. The material presented in this manual offers pesticide applicators the basic knowledge that they must have in order to be fully prepared for the General Certification Standards Core exam. Pesticide applicators may want to use this manual as a source of periodic review, general reference, or as the basis for providing training to any unlicensed pesticide handlers who work under their direct supervision.
