You ll never see me in a church again This comes from being wounded and hurt in church At one time church was fulfilling and exciting inviting you to get involved build some friendships and participate in something meaningful And slowly it begins to happen things are not quite like you first perceived them and in getting close to others relationships just go sour Relationships are very important to God They are a priority to Him This book is all about building loving and meaningful relationships for real The greatest deficient of the modern day church is that little or nothing is understood about the ultimate and most important Purpose of God and what it really means to love one another Learning how to regularly practice this kind of love in life has the potential for changing the course of modern history The Forgotten Commandment that you hold in your hand is like a modern word of prophecy for every believer in Christ Don t let this opportunity slip away from you Take it read it and apply it in your life then you will know just how important this message is for our generation Now can begin the journey of your life to join many others in fulfilling the Purpose of God and changing the course of history fulfilling the Great Commandment Are you willing God's Wisdom for Marriage & the Home , **Who We Are in Christ**
