ABC's of 21: a Book of Blackjack for Beginners Mike Exinger, 2012-03-22 Blackjack or Twenty One if you prefer is one of the most popular table games in any casino. And it has the lowest casino edge of any game too. So why aren't more people playing? They don't know how to play. They feel intimidated. They think slots give them a better deal. They don't want to lose all their money. They think Paula Deen will eat them with a pound of butter. I can deal with all of these issues except the last one. Blackjack can be easy to learn and with my systems it's easy to learn how to win too. You're on your own with Paula.

Harrington on Modern Tournament Poker Dan Harrington,Bill Robertie,2014-05-08 Over the

last ten years the enormous growth of interest in poker and poker tournaments has led to an intense focus on the theory of tournament poker. The result was a re-examination of old ideas and the introduction of many new ones. The fundamentals of no-limit hold'em did not change but the game was revealed to have more depth than many older players could have anticipated. As a result, no-limit hold'em tournament play has evolved into a newer, tougher, faster game, and good players have had to evolve to keep up. In *Harrington on Modern Tournament Poker*, Dan Harrington takes a fresh look at the world of no-limit hold'em tournaments. He explains how the game is currently played and what you'll have to do to be a successful tournament player in 2013 and beyond. The topics examined include how to play different hand types pre-flop, when to 3-bet and 4-bet, how to analyze the flop, turn and river, and how to size your bets. Dan also explains how to adjust your strategy as your stack size grows and shrinks, and how to handle the new breed of super-aggressive players that you'll meet at the table, and if you want, how to play that way yourself. Dan Harrington won the Gold Bracelet and the World Champion Title at the Main Event of the 1995 World Series of Poker. And he was the only player in recent history to make the final table in back-to-back years, 2003 and 2004, considered by cognoscenti to be the greatest accomplishment in WSOP history.

The *Concise New Partridge* presents for the first time all the slang terms from the *New Partridge Dictionary of Slang and Unconventional English* in a single volume.
