Beacon Bible Commentary, 1964 *The Revelation* David W. Edwards, 2023-06-29 How many times is Armageddon mentioned in the Bible Where do we find mention of the antichrist What is the mark of the beast How many battle scenes are there in the Revelation How many battles are there in the Revelation Which is the most musical book in the New Testament Where can I find a calendar of end times events These and many more questions are answered in this hopeful and inspiring treatment of one of the most controversial books of the Bible According to the author the book of the Revelation should bring hope and confidence to the Christian life not fear and despair It is a book that looks forward with the joyful anticipation of faith to the return of Christ and the ultimate restoration of God s good creation The Revelation Commentary Dennis James Woods, 2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn t need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It s the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that s wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events to come **Beacon Bible Commentary: Hebrews-Revelation**

Andrew Schwartz,John M. Bechtold,2015-09-17 The times they are a changin As such our theology needs to adapt to be responsive to the changing landscape The idea for Embracing the Past Forging the Future A New Generation of Wesleyan Theology came from our assessment that Wesleyan theology has yet to fully adapt to this changing landscape and that the future of Wesleyan theology requires the bringing together of old and new voices The difficult task of balancing between continuity and change keeping up with the developments of our culture and staying true to the roots of our tradition requires the dual focus of looking forward and backward simultaneously In this volume we have brought together contributions by young Wesleyan scholars graduate students and junior faculty as a way of illustrating and articulating a new generation of Wesleyan theology These younger voices demonstrate the desire to push Wesleyan theology in new directions Additionally we have included contributions from senior scholars who have been doing important work and who have already made significant contributions to Wesleyan theology This is not simply the old guard but the voices of scholars who continue to make a profound impact on Wesleyan theology Apocalypse Dawn Lucille L Turfrey,2023-03-03 Revelation the culminating book of the Bible has inspired intrigued or just plain puzzled readers for almost 2 000 years It remains enigmatic to many However once his intricate codes are cracked open St John unveils its inexhaustible treasures to the inquiring mind be it that of a theologian or an unlettered observer The book is not really a compendium of conundrums at all It was not written in order to remain within a folded scroll on a hidden shelf It was meant to be read and understood to be absorbed shared and declared for it offers God s answer to the perplexities encountered by humankind be they endemic to the 1st 21st or any

century in between Revelation The Apocalypse is exactly what its title intends it to be it is a revelation a peeling back of the mystery to disclose God s great and eternal plan of redemption This is actually the subject matter of the entire Bible from Genesis to Revelation and the news ultimately is good Apocalypse Dawn is written to endorse the validity of God s word for every age yesterday today and tomorrow You are invited to lift the veil discover the ultimate Revelation **Religious Books and Serials in Print 1978-1979** R.R.
