Piers Anthony s bestselling Xanth series is one of the cornerstones of fantasy a lively and whimsical interpretation of a genre often criticized for taking itself too seriously Anthony s first Xanth novel A Spell for Chameleon was initially edited to target a more traditional audience Now in an eBook exclusive A Spell for Chameleon has been reworked line by line its language matching the simpler playful way with words that made Piers Anthony an enduring fan favorite Xanth is an enchanted land where magic rules a land of centaurs and dragons and basilisks where every citizen has a unique spell to call their own For Bink of North Village however Xanth is no fairy tale He alone has no magic And unless he gets some and fast he will be exiled Forever But the Good Magician Humfrey is convinced that Bink does indeed have magic In fact both Beauregard the genie and the magic wall chart insist that Bink has magic as powerful as any possessed by the King the Good Magician Humfrey or even the Evil Magician Trent Be that as it may no one can fathom the nature of Bink s very special magic This is even worse than having no magic at all and he still faces exile Castle Roogna Piers Anthony,2002-03-26 Once upon a past Millie had been a ghost for 800 years But now restored by the magic of Xanth she was again a maddeningly desirable woman She could have had any man she wanted except the one she did want Jonathan the zombie To grant Millie her desire and to prove his right to rule Xanth in the future young Magician Dor embarked on a quest for the elixir which would restore Jonathan to full life But the potion could be found only in the past so through a magic tapestry to the past he went taking over the body of a barbarian warrior The first person he encountered there was Jumper a giant spider a nightmare monster but a staunch friend and much needed ally in peril haunted ancient Xanth Then Dor met Millie 800 years younger but just as lovely And he realized that in his new body he was no longer twelve years old **The Senior High School Paperback Collection** John Thomas Gillespie,1986 Provides an annotated list of
