Beauty For Ashes The Butterfly Effect:

Beauty from Ashes David Roller, 2024-01-04 Beauty from Ashes is fiction and is a compilation of stories written for the author's wife as she battled leukemia. This compilation is a continuation of the author's book Harbingers of Spring in that it presents the growth of a festival over several decades in the Sweetwater Valley of Brown County, Indiana. This area is a location where the author spent his childhood years where his grandfather's farm was located. There is no festival located there; only beauty, and the site still has the location of the author's grandmother's house where it sat before it burned to the ground. Rebuilding it would be senseless as it originally sat too close to the road. An attempt was made herein to present a story of equality and diversity and describe what that might look like if all concerned strove for the same goal. Ugly is a presentation of racism concerning the mother of the author's childhood girlfriend. The mother presents total unbiased interactions except toward one neighbor child. Isaiah 61 is used to outline the ups and downs of progress toward a multifaceted goal. In every situation and every confrontation, the author attempts to show an actuality of beauty developing from conflict and cruelty. It presents the human predicament through the inclusion of the most radical and diverse characters the author can imagine all working together to achieve happiness. The forbidden love between a mixed child and a White child is a continuous thread throughout the book with an almost conclusion when in old age and helplessness he is murdered and dies being cared for by his lover. The conclusion is from Genesis 1:2, Job 33:4, and Numbers 27:16 regarding the Hebrew word Ruach wherein God's name is referred to as the sound of a breath wherein we whisper God's name in every breath of our life and close our life with one final recognition of our living God. Love triumphs. This is the author's third book. He also wrote Butterfly Wars and Harbingers of Spring.

Beauty for Ashes: the Butterfly Effect Andrea Horner, 2014-12-18 Andrea Horner resides in Kansas City and is the founder of Beauty4ashesKC Ministry. Andrea is the current Vice President of the Kansas City Turner Syndrome Chapter. Andrea loves to sing, serve in her church, and she does Taekwondo. She also loves to help on missions and doing service projects in the community and work on projects to promote Turner Syndrome awareness. This is more than just a story about being short or having Turner Syndrome. We all have a story, and I believe that this book has something everyone can relate to. I want us to find the beauty in our lives and live our life fully. My hope is that through this journey, I can help us find our best lives. I did not like growing up short or dealing with the obstacles that I faced. However, I learned to overcome them. I have transformed from a caterpillar to a butterfly. God showed me that I was made for more, and that's when I found healing in the brokenness of life. Today, I love who I have been made to be, and I want you to know that out of the ashes, beauty is found. I have two growing disorders. This book is about my life with Turner Syndrome. Turner's is a growth disorder that many do not know about and comes with complications and a few short jokes. God is making something beautiful out of my life, and He can do that for you. I hope this book will be the window to help you see all who you were made to be.
