In the Way of Jesus Paul D. Kroeker,2017-03-05 A revolutionary love movement is circling the globe Broken lives are

being transformed and the love of Jesus is being gossiped into the most remote regions of the planet. However, in the West, the church is in decline. The brand image is broken. Christianity is not seen as radical or revolutionary, and some of those who claim to be Christian seem to bear little resemblance to the life and teachings of Jesus. Through national and international engagement in Christian ministry, Paul Kroeker has witnessed this development firsthand. He has come to realize that though we thought we were rich, we are really poor, and though we thought they were poor, the international church has the riches we need to live the abundant life Jesus describes, inspired by Revelation 3:14-22. In *The Way of Jesus*, takes readers on a journey of renewed hope found in the person of Jesus Christ and the work of the Holy Spirit. Through personal anecdotes and biblical insights, Kroeker lays out the path of discipleship that leads to an intimate relationship with Jesus. When someone has been with Jesus, their love becomes authentic and compelling. They eagerly share what Jesus has done for them. Their joy is infectious. They are an open book, evidence of God's love and forgiveness. Their love for one another becomes extraordinary and reveals the good news of the Kingdom of God. Brand image and reality are one and the same. This alone will lead to the awakening of the church in the West, allowing for a new tide of God's redeeming love to move across our nation and heal our land. In the way of Jesus, you become a disciple who will love, live, and serve like him. Love. Live. Serve like Jesus.

Sensing God Joel Clarkson, 2021. *Sensing God* is a discovery of Jesus in all of the sensory points embedded into each of us. It shows how the holiest acts in our daily lives are often the simplest: reveling in the beauty of nature, listening to our favorite music, eating a nourishing meal with family. These are potentially heartbeats of a living faith, and when we learn to recognize and respond to God's goodness in them, it draws us into redemptive participation with Him, the source of all beauty.
