Because You Loved Me Pinnacle True Crime:

Because You Loved Me M. William Phelps, 2007-12-01 A teenage girl plots her mother's murder with a deranged online lover in this true crime classic by the New York Times bestselling true crime author Jeanne Dominico. She was a hard working single mother. Nicole, her fourteen year old daughter, was on the honor roll and head over heels in love with an older boy she'd met through the Internet. Once the lovers met in person, Jeanne sensed trouble. If only she'd known that the life in danger was her own. With a history of psychological trouble and family misfortune, Billy Sullivan demanded obsessive and controlling power over Nicole. The twisted Romeo and Juliet responded to Jeanne's motherly concern with brutal fury. Her fiancé discovered Jeanne's beaten, barely recognizable body on the kitchen floor. Nicole's stunning confession and guilty plea led to Billy's sensational trial, where a sordid tale of love, loss, betrayal, and murder finally took a cold blooded killer offline and behind bars. Includes sixteen pages of shocking photos. Phelps is one of America's finest true crime authors. Vincent Bugliosi: Phelps is the Harlan Coben of real life thrillers. Allison Brennan: *Meet Me For Murder*. Don Lasseter, Ronald E. Bowers, 2014-11-14 The true story of the predator who lured young women with promises of fame from the national bestselling author of the riveting *Honeymoon with a Killer*. Publishers Weekly: Hopeful beauty Kristi Johnson, twenty one, thought she was auditioning to model for a James Bond promotion. Following the directions of the man who approached her in a shopping mall, she drove to a mansion in the Hollywood Hills with a black mini skirt and stiletto heels. Weeks later, Kristi's body was finally photographed by the county coroner. Her partially clad body had been found on a slope off Skyline Drive. Not one iota of forensic evidence was recovered. All investigators had was another Hollywood dream gone nightmare. But what seemed like a dead end soon found its lucky break. Responding to news reports about Kristi's murder, calls from women came pouring in. All of them victims of bogus modeling gigs. One composite sketch later, Victor Paleologus, forty, already on parole for sexual assault, was taken into custody. Halfway through his sensational trial, Paleologus stunned everyone by entering a guilty plea and was sentenced to twenty five years to life. *I'll Be Watching You*. M. William Phelps, 2010-05-21 The true crime story of Edwin Snelgrove, an American serial killer who wanted to out kill Ted Bundy. From the New York Times bestselling author: In September 2001, Carmen Rodriguez, a beautiful thirty two year old Hartford mother of four, went missing. At first, police were stymied until a killer's crucial mistake led investigators down a long, dark road of cold calculated murder. In 1987, single mother Mary Ellen Renard was strangled, repeatedly stabbed, and left for dead in her New Jersey apartment. Her vicious assailant had already killed once and would kill again. But unlike the fiend's other victims, Mary Ellen lived to tell the tale. Clean cut, popular, and on the fast track at a multinational computer firm, Rutgers grad Edwin Ned Snelgrove shocked friends and colleagues with a plea bargain for Renard's brutal attack and the heinous 1983 murder of college girlfriend Karen Osmun. Vowing never to be caught again, Ned spent his time in prison obsessively studying the violent career of his idol, Ted Bundy. Then, he was released ten years early for good behavior. Unflinching and brilliantly researched, this is an exclusive
