Joint Select Committee to Inquire into the Condition of Affairs in the Late Insurrectionary States, 1872 Summa Theologiae: Volume 38, Injustice Marcus Lefébure, 2006-10-26 Paperback reissue of one volume of the English Dominicans Latin English edition of Thomas Aquinas Summa Theologiae *The Westminster Review* , 1874 *The Foreign Quarterly Review* , 1874 **The Search for Justice** Kumari Jayawardena, Kishali Pinto-Jayawardena, 2016-11-21 The Sexual Violence and Impunity in South Asia research project coordinated by Zubaan and supported by the International Development Research Centre brings together for the first time in the region a vast body of knowledge on this important yet silenced subject Six country volumes one each on Bangladesh Nepal Pakistan Sri Lanka and two on India as well as two standalone volumes comprising over fifty research papers and two book length studies detail the histories of sexual violence and look at the systemic institutional societal individual and community structures that work

together to perpetuate impunity for perpetrators The essays in this volume examine history and contemporary politics to understand the root causes of sexual violence in Sri Lanka They look at the polarization created around ethnic and linguistic identities during the three decades of ethnic conflict but also scrutinize the routine violence of communities towards their own women in daily life The authors argue that in this transitional post war phase Sri Lankan women must not only be treated as victims but as agents of change The writers highlight a hitherto unaddressed aspect of sexual violence that of the structures that enable impunity on the part of perpetrators be they security personnel and paramilitary forces members of armed rebel groups gangs local politicians and police or ordinary citizens including close family members They demonstrate how impunity for perpetrators is both a failure of the formal justice process and a product of individual community and social conditions and indeed the choices that victims and families make that promote silence over truth At the end of more than a quarter century of conflict that has left some 100 000 dead 50 000 women headed households struggling to survive as well as countless victims and survivors of sexual violence the calls for justice can no longer be ignored
