Because Naughty Holidays Nice 2015:

Filthy Hot Billionaire Nicole Edwards, 2022-04-19 Knox Montgomery My obsession with Emily Campbell started when she was fifteen years old Her age made her completely off limits to me The fact that her father was married to my mother only made it socially frowned upon That was then This is now Emily s a woman now and our parents are no longer married However there are still complications Like the fact my mother stole seventy million dollars from me and her father was complicit in the crime When the time comes for them to repay that debt her father offers Emily up on a silver platter I turned him down because I m many things but certainly not a cliché Instead I gave him an additional three years to get his affairs in order He didn t know it at the time but that was more for me than for him Not enough drama Good because I ve got another obsession His name is Kieran O Rourke It started the day the Irishman introduced himself to me although I ve never admitted that to anyone Certainly not him Nor did I give in right away because that would ve been too easy Complications are compounded when Emily believes I betrayed her and her family by taking back what was rightfully mine which only delays my plans Being one of the wealthiest men in the world I have an endless supply of resources a long list of things to keep me busy and an abundance of patience No matter what I will introduce Emily and Kieran to one another and when I do life as we know it will be irrevocably changed This is my story of obsession betrayal and surrender Some might say I have my work cut out for me Good thing I enjoy a challenge This is a standalone novel Rule Nicole Edwards, 2023-11-28 I m known to the Hollywood elite as The Fixer Others refer to me as a Sin Eater Whatever they call me people know my name Some even talk about me as this mythical creature who can make miracles happen provided those miracles are unethical and usually illegal But I don t have a unique skill set I m merely a man in possession of a broken moral compass I won t apologize for who I am The world I live in made me this way The people who abandoned me set me in motion And the system that failed me molded me That doesn t mean I don t know the difference between right and wrong When the daughter of one of Hollywood s shining stars is kidnapped I make it my mission to find her And I do But don t mistake me for the hero I knew she would be taken and I did nothing to stop it Years later that girl is now a woman and her mother once again needs me to make a problem go away When she calls I answer Right time Right place No It s been my plan all along This is a standalone menage romance with a morally challenged anti hero a man who thinks he owes Rule his life and a beautiful artist who decides two sinfully sexy men are definitely better than one Alibi Nicole Edwards, 2021-07-27 Travis Walker has been battling dark urges since the day Juliet Prince kidnapped his six year old daughter four months ago Although Kate was returned safely the woman responsible vanished When their attempts to find her keep coming up empty Travis let his need for retribution consume him and it nearly cost him his relationship with his family Thanks to help from Gage and Kylie Travis came back from the brink and passed the case back where it belonged with the Off the Books Task Force What they don t know is that despite their best efforts at locating her Juliet doesn t intend to run forever She s coming back to Coyote Ridge to settle the score once and for all And

this time she intends to bring Travis to his knees by targeting his most precious possessions his family When the unthinkable happens Travis s thirst for vengeance is reignited and he will move heaven and earth to avenge his family *Capture* Nicole Edwards,2023-07-25 Volume 4 Do you know what happens when you try to build a house of cards in a windstorm It doesn t work And if you re lucky enough to lay a foundation and erect a few walls it only takes one misstep to throw the delicate balance out of whack and cause the whole thing to fall That s one way to describe what it s like to date three men Three handsome intelligent quick witted men They are also arrogant sexy domineering and overbearing Did I mention frustrating Because they can be One more so than the others As for the misstep that will send these precarious new relationships tumbling I think it s coming Volume 5 I can t be sure whether this is the calm after the storm or the stillness that settles in before the next one Either way my love life has flatlined and I m grasping for a way to set things right It should be simple except I m questioning the decision I made I know what I want I m just not sure how to go about making it work Good thing the men in my life are According to them when chaos disrupts your ideal sense of normalcy setting ground rules is the best way to rein it in Just a few basics to keep things from falling apart Only my men aren t calling these additional rules the basics And normal well that s not a word I would use to describe what they have in store for me Volume 6 As though dating three men isn t complicated enough now there are new feelings to decipher and another threat creating chaos Only this time my stalker has stepped up his game and his actions send the men in my life into protective mode But not before I learn that they ve been lying to me since the day I met them These aren t little white lies either Or ones of omission no matter what Creed says These are the kind of lies used to package up secrets that have the ability to alter the entire foundation of our relationship This time I m not looking for space I m not walking away I want answers and they re going to give them to me What I don t realize is that getting them may very well set us on another course entirely Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same **Salvation in Darkness** Nicole Edwards,2020-02-11 Heaven refers to them as Misplaced Halos Humans don t even know they exist This faction of celestial warriors was sent here under the cover of darkness to protect humanity from Lucifer s demons In return for their servitude these warriors expect only one thing the love they were promised what angels refer to as an amsouelot Never one to rely on luck or favor Eclipse isn t surprised when his first interaction with the female whose soul is destined for his results in death However he is caught off guard when the pretty blonde who was held at gunpoint by a two bit human turns out to be sassy and fearless and not at all bothered by the mess that was made in that alley Orianna McKay has spent the past six years scouring the US in search of her sister She has put her entire life on hold hoping to locate Amber and bring her home to their mother What she doesn t understand is how one failed lead after another continues to take her right back to Nowhere Colorado Then he appears The handsome warrior who takes a bullet in an effort to save her What she doesn t realize is that warrior is an angel and nothing in her world is as it
