**Accounting** Paul D. Kimmel, Jerry J. Weygandt, Donald E. Kieso, 2010-12-01. With this fourth edition accountants will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions. It better reflects a more conceptual and decision making approach to the material. The authors follow a macro to micro strategy by starting with a discussion of real financial statements first rather than starting with the Accounting Cycle. The objective is to establish how a financial statement communicates the financing, investing and operating activities of a

business to users of accounting information This motivates accountants by grounding the discussion in the real world showing them the relevance of the topics covered to their careers
