Progress Note

Prepared by: Norma J. Streeter, Therapist at Skyline Realty Group

Introduction

This Progress Note provides a comprehensive account of the counselling sessions conducted for mental health care. It details the client's therapy, charts their progress, and outlines a treatment plan. The note focuses on delivering value-adding information and essential insights about concerned individual's progress, avoiding jargon to maintain its readability and usefulness.

Session Overview

The counseling sessions began on January 2, 2050, primarily addressing the client's anxiety issues. The client demonstrated commitment and gradually made improvements over the course of therapy. A significant shift in their demeanor and outlook was observed after the fifth session, indicating a positive outcome from the counseling.
