Laverman, 2024-09-17 This is the story of my journey in coming to know the Lord Jesus Christ I grew up in an area where most people called themselves Christians I always considered myself to be a Christian too Sure I looked like most people in this world and yes some guest speakers had some powerful Christian testimonies to which I could not relate John 3:16 says that one just has to believe in Jesus I believed in Jesus so I thought those people must just be the really good Christians Later on in life I'd become quite grateful I was very grateful for my first child These things spurred me on to seek Jesus more diligently It was time to become a better Christian so I thought During a church leadership conference I came to know the Lord Jesus Christ in a real and living way My deep and honest sharing of the lessons I've learned in getting to this point and the lessons I've learned since while pursuing Jesus deeper will be of service to you who are seeking Jesus Stories of the trials I've been through may speak to you Maybe you are a skeptic of Jesus There are so many gods and religions out there that you just haven't been able to trust that Jesus is the one true God Maybe this sinful world and the actions of some have left you questioning if Jesus Christ is good My testimonies share a living Jesus who dwells in His people today He is love and ministers His Spirit with its fruit into His people in their times of need when they submit to Him I'll point out the abundance of evidence that God is love in the midst of this broken world In America today we have churches teaching all sorts of different things Practicing of sin runs rampant Many professing Christians look no different than most people We have a plague of people merely believing of Jesus Jesus said himself in Matthew chapter 7 that few find the way of life He compared them against many who would affectionately call him Lord and be able to point to all sorts of works of service they did for

Him yet Jesus would tell them Depart from me I never knew you There could be nothing worse than being deceived into falsely presuming yourself to be a Christian I ll show you where the Bible defines for us whom these few are Upon hearing what it is like to come to know Jesus maybe you will be convicted that you have no such testimonies yourself You ll be asked to genuinely exam yourself with life s most important questions I ll give comparisons for the general differences between those who merely believe of Jesus versus those who have believed into Him

**Catechism of the Catholic Church and the Craft of Catechesis** Pierre De Cointet,Petroc Willey,2018-08-22 Foreword by Cardinal Christoph Schoenborn The theme of this book is that the Catechism of the Catholic Church perhaps the most important work on catechesis since the Apostolic Age offers not only a new definitive account for our times of the full teaching of the Catholic faith but also that it is a superbly crafted work from which to learn and to teach the faith This book reveals the pedagogy embedded in the Catechism showing every teacher parent catechist or student how to discover the key principles that enable one to learn from and teach from the Catechism The Compendium of the Catechism of the Catholic Church speaks of the wisdom of the presentation of the Catechism and of the depth of its spirituality These points have rarely been explained in any sustained way and have never before been systematically treated The unique point about this book is that it focuses on these points rather than a simple explanation of the content of the Catechism This book offers a pedagogical approach to the Catechism for handing on the faith of the Catholic Church in any setting whether home school and parish It offers perennially valid teaching points drawn from a perennial text and an explanation of the pedagogy of God which underpins all authentic teaching methods in the Church In this way the book offers a twelve step path to recovery out of unhealthy catechetical addictions and obsessions which have bedeviled the catechetical world It is unique in its origin emerging from a catechetical friendship encouraged by Cardinal Sch nborn between three institutions working in an authentic Catholic catechetical tradition The three authors display a deep trust and love for the words of the Catechism of the Catholic Church words that hold a rich heritage and can be pondered lovingly and searchingly since they are for our good for everyone s good
