The Literacy Specialist Rita M. Bean, Virginia J. Goatley, 2020-11-16 Revised edition of The reading specialist c2015

Designing and Teaching Fitness Education Courses Jayne Debra Greenberg, Nichole D. Calkins, Lisa S. Spinosa, 2022
Helps physical educators develop and implement fitness education courses in their curricula Includes pacing guides which act as a teacher's blueprint throughout a semester and offers 139 video clips and 211 instructional photos that show the activities all of which require no equipment Resources in Education , 1991-04 **Systematic Instruction of**

Functional Skills for Students and Adults with Disabilities Keith Storey, 2022-03-01 This book provides an overview of systematic instructional strategies and is written in a format so that teachers and other service providers can immediately put the information to use It specifically focuses upon systematic instruction for individuals with disabilities school age and adults and is generic across age groups as well as disability labels The book focuses on improving instructional practices for students and adults with disabilities Practitioners may understand the importance of placing individuals in different settings e g inclusive classrooms supported employment sites but not understand how to improve their skills once they are in that setting This book is intended to give teachers and other service providers the instructional skills for improving the skills of the individuals that they are serving The most unique feature of the text is that it is written specifically for practitioners in the field teachers and adult service providers as well as those in training rather than being written for other academics An advantage of this book is that those preparing teachers and others can easily use it in methods courses as it covers instructional methodology that is seldom covered in detail in most texts College instructors will find the book a good choice for their classes based upon the consistent format throughout the book the readability of the book for students the comprehensive coverage of systematic instruction and the direct applicability to applied settings Others providing instruction supervision and training to direct service providers will find this book useful such as those working in schools as well as those in transition and adult service settings **Congressional Record** United States. Information Literacy and Libraries in the Age of Fake News Denise E. Agosto, 2018-10-12 Going beyond the fake news problem this book tackles the broader issue of teaching library users of all types how to become more critical consumers and sharers of information As a public school or academic librarian or educator you can help library users to become more conscious and responsible consumers of information As you read you'll gain a better understanding and appreciation of the core concepts involved in promoting critical information literacy such as information ethics media literacy and civic

education You ll also learn the history of fake news and come away with practical ideas in mind for strategies to apply in your library Chapters contributed by leading experts in public academic and school library services are written in plain everyday language that librarians and library school students can easily understand and relate to their own experiences as information users especially their experiences in social media and other online venues where sharing false information takes only a click
