A Revolution in Music Évelyne Gayou,2025 Established in the 1950s by musician and engineer Pierre Schaeffer the Groupe de Recherches Musicales would become the nerve center for avant garde artists experimenting with sound and acoustics as well as the birthplace of a genre of music making enabled by new recording technologies and sound pioneers musique concrète Evelyne Gayou herself a researcher composer and producer at the GRM tells the history of the storied institution through the people works technologies and research developed there Placing musique concrète within a broad historical context extending from the early twentieth century avant garde's experiments with noise to the development of techniques in sound recording at the Studio d'Essai in the 1940s and later in sound synthesis Gayou shows how recording technology made it possible for composers to not only create music from sounds in the world around them but also create acousmatic music novel sounds without a visible connection to their source Available in English translation for the first time this updated edition will be an important resource for readers interested in the pioneering works and techniques of Schaeffer and his contemporaries as well as their influence on the makers of new music and the contemporary avant garde

Scientific and Technical Aerospace Reports ,1995 **Signal** ,2009 **PC Magazine** ,2008 **Popular Science** ,2000-01 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Rush and Philosophy** Jim Berti,Durrell Bowman,2011-04-12 The progressive hard rock band Rush has never been as popular as it is now A documentary film about the band Rush Beyond the Lighted Stage which was released in the summer of 2010 has been universally well received They had a cameo in the movie I Love You Man Their seven part song 2112 was included in a version of Guitar Hero released in 2010 The group even appeared on The Colbert Report Even legendary trios such as Led Zeppelin Cream and The Police don't enjoy the commitment and devotion that Rush's fans lavish on Alex Geddy and Neil In part this is because Rush is equally devoted to its fans Since their first album in 1974 they have released 18 additional albums and toured the world following nearly every release Today when other 70s bands have either broken up or become nostalgia acts Rush continues to sell out arenas and amphitheatres and sell albums to date Rush has sold over 40 million albums They are ranked fourth after The Beatles The Rolling Stones and Aerosmith for the most consecutive gold or platinum albums by a rock band Rush's success is also due to its intellectual approach to music and sound The concept album 2112 made Rush a world class band and cemented its reputation as the thinking person's progressive rock trio Rush's interest in political philosophy mind control the nature of free will of

individuality and our relationship to machines makes Rush a band that matters and which speaks to its fans directly and honestly like no other Lyricist Niel Peart has even built a following by writing books both about his motorcycle travels and about the tragic death of his daughter which have only furthered the respect Rush s fans have for arguably rock s greatest drummer and lyricist Fiercely independent of trends Rush has maintained a clear mission and purpose throughout their career With the unique Rush sound the band has been able to blend thought provoking lyrics and music for almost four decades The Rush style of music can trigger the unusual combination of air drumming air guitar singing along and fist pumping just as much as it can thoughtful reflection and deep thinking making Rush The Thinking Man s Band Rush and Philosophy does not set out to sway the public s opinion nor is it an awkward gushing of how much the authors love Rush Rush and Philosophy is a fascinating look at the music and lyrics of the band setting out to address thought provoking questions For example elements of philosophical thinking from the likes of Jean Paul Sartre Ayn Rand and Plato can be found in Peart s lyrics does this make Peart a disciple of philosophy In what ways has technology influenced the band through the decades Can there be too much technology for a power trio Can listening to Rush s music and lyrics lead listeners to think more clearly responsibly and happily Is the band s music a pleasant distraction from the singing of Geddy Lee In what ways is Rush Canadian How can a band that has been referred to as right wing also criticize big government religion and imperialism Rush and Philosophy is written by an assortment of philosophers and scholars with eclectic and diverse backgrounds who love Rush s music and who get the meaning and importance of it They discuss Rush with the enthusiasm of fan The book will be a must read for the many fans who have long known that Rush deserves as much respect as the ideas concepts and puzzles about human existence they write and compose music about
