Ike's Final Battle Kasey S. Pipes, 2007 He called it one of the hardest things he ever did as leading the D Day invasion When Dwight Eisenhower sent the 101st Airborne to Little Rock to integrate Central High School in September 1957 he couldn't know that he was fighting the last great battle of his career one that would change forever both him and his country This is the story of how one of America's greatest leaders confronted America's greatest sin This is the unlikely tale of how Ike became a civil rights president Ike represents a revolution in scholarship on Eisenhower and civil rights Though not uncritical the book credits his steady personal advance on the issue as well as his accomplishments in the military and as president Drawing on thousands of primary documents

including newly released material Ike's Last Battle builds to its climax at Little Rock one of the most pivotal events of the civil rights movement Little Rock is at the epicenter but the book will also look at the cause and the aftermath *Why the JFK Assassination Still Matters* Richard Buyer, 2009 We live in a great country Yet we must have faith and trust in our government or we cannot succeed On the other hand the government must also believe in its own people Both factions must tell the truth For this reason the JFK assassination still matters History cannot be replayed but it can be rewritten Why read another book about the JFK assassination It's simple the major crime of the twentieth century remains unsolved Although the assassination of President John F Kennedy happened in 1963 the reverberations of this horrific event are still felt today Discrepancies and questions about the assassination remain unanswered Was there a conspiracy behind the assassination If so who was involved Why the JFK Assassination Still Matters discusses new ideas showing Lee Harvey Oswald never fired a shot at the president The Warren Commission was a hoax and the single bullet theory was physiologically impossible Strange bedfellows emerged when the CIA formed a coalition with organized crime in an attempt to assassinate Fidel Castro President Kennedy became a threat to very powerful forces when he tried to establish a peaceful coexistence with Russia and Cuba About the Author Dr Richard Buyer has been practicing medicine for over thirty five years The assassination of President John F Kennedy was probably the greatest tragedy he has personally experienced He wrote this book to help his children learn the truth behind this horrific event His daughter Kennedy happened to be born on the anniversary of the assassination It is Dr Buyer's goal that all children as well as adults will finally learn the truth about the assassination
