

INTRODUCTION

This A-330 A/C training manual is the document that Jordan Aviation training and standards department will utilize to provide the related course of the A-330 A/C to those pilots selected by Jordan Aviation to operate its fleet of A-330 A/Cs in their different capacities. The manual establishes the company training and standards objectives which must be met by the trainee pilot.

The manual is an ever-changing document, which must be reviewed periodically to ensure that it fulfills its primary objectives and conforms to current requirements established by the Jordanian Civil Aviation Regulations (JCAR).

Organization Chart & Position Description

The format of the Jordan Aviation Training and Standards department is shown in the CARC approved Operation Manual Part D. Position descriptions including qualification experience required and duties and responsibilities for TRI/TRE and SFI who will be involved in conducting the contained training programs are also provided. The chain of command and communications have been defined and must be followed.

The HOD holds the managers of these sections responsible for the major work load assigned and they have authority to discharge their responsibilities under his leadership or his Deputy (Director Training and Standards), during his absence.

Entry Requirement for the Courses Outlined in this manual

The minimum entry requirements for each training program included in this manual should have been fulfilled by the trainee pilots as outlined in the Operation Manual Part D.

Documentations Required

A copy of this manual shall be provided to all A330 TRE, TRIs and trainee pilot.

This document in conjunction with other relevant training material and manuals serve as the main legal reference of information needed during the course of training; also constitutes the company requirement for each training program.

The following documents must be in the possession of the trainee pilot to assist him and for easy access of all relevant information.

1. Operations Manual Part D - OMD
2. All Volumes of the Flight Crew Operating Manual - FCOM.
3. Flight Crew Training Manual - FCTM
4. Quick Reference Handbook - QRH
5. Jeppesen Charts
6. A330 Training Manual
