America's Other Automakers Timothy J. Minchin,2021-04-01 In 2018 almost half of all vehicles made in North America were produced at foreign owned plants and the sector was on track to monopolize the market Despite this the industry has been overlooked compared with its domestic counterpart both in scholarship and popular memory Redressing this neglect America s Other Automakers provides a new history of the foreignowned auto sector the first to extensively draw on archival sources and to articulate the human agency of participants including workers managers and industry recruiters

Timothy J Minchin challenges the view that the industry's growth primarily reflected incentives stressing human agency and the complexity of individual stories instead. Deeply human in its approach, the book also explores the industry's impact on grassroots communities, showing that it had more costs than supporters acknowledged. Drawing on a wide range of primary and secondary sources, *America's Other Automakers* uncovers significant tensions over unionization, reports of discriminatory hiring, and unease about the industry's rapid growth, critically exploring seven large assembly facilities and their impact on the communities in which they were built.

Trapped Man Standing Wendy Meadows, 2021-05-27

If you love cozy mysteries with a sinister twist and plenty of scares, then Patricia McKay's fun and thrilling adventures are for you. There's a reason this town is deserted. Torn away from her new assignment and sent to the creepy deserted town of Wounded Willows, Patricia McKay finds herself alone and isolated in a remote corner of Arizona. She falls in with a stranded family who are stuck waiting for someone to fix their broken car, but there's someone else lurking in this town with them. When they discover a dead body inside a dilapidated hotel, Patricia's stay takes a darker turn. Ambushed by a disturbing killer and taken captive with her new friends, Patricia struggles to hatch an escape plan and rescue the family before the eerie town and its killer can claim more lives. And when their killer mysteriously turns up dead, a new, much more sinister threat emerges, one that will do anything to stop Patricia from leaving Will. Patricia: be able to escape Wounded Willows. Or will this ghost town claim yet another victim?
