Teaching IFRS Richard M.S. Wilson, Ralph W. Adler, 2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS Teaching IFRS offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses This book was originally published as a special issue of Accounting Education An international journal

Financial Reporting, 3rd Edition Janice Loftus, Ken Leo, Sorin Daniliuc, Noel Boys, Belinda Luke, Hong Nee Ang, Karyn Byrnes, 2020-02-25 The third edition of Loftus Financial Reporting has been updated for recent developments in the Australian Accounting Standards including the release of the new Conceptual Framework This text is designed to be used across the 2nd and 3rd year financial accounting units A hallmark feature of the text is that it provides both a conceptual understanding and a practical application of the accounting standards For students an understanding of the conceptual basis of accounting and the rationale behind the principles is crucial to the consistent application of standards in a variety of practical contexts The Financial Reporting interactive e text features a range of instructional media content designed to provide students with an engaging learning experience This includes practitioner videos from Ernst Young interactive worked problems and questions with immediate feedback Loftus unique resource can also form the basis of a blended learning solution for lecturers

Economics and Political Implications of

International Financial Reporting Standards Uchenna, Efobi, Nnadi, Matthias, Tanna, Sailesh, Iyoha, Francis, 2016-03-08

International Financial Reporting Standards IFRS are internationally recognized financial reporting guidelines regulated by the International Accounting Standards Board IASB to ensure that uniformity exists in the global financial system. In addition to regulating financial reporting, the adoption of IFRS has been shown to impact the flow of foreign capital and trade. Economics and Political Implications of International Financial Reporting Standards focuses on the consequences and determinants of the adoption of the International Financial Reporting Standard IFRS, which has remained a top issue in International Accounting. This timely publication brings to the forefront issues related to the political and economic influences and impacts of IFRS, in addition to providing a platform for further research in this area. Policy makers, academics, researchers, graduate level students and professionals across the fields of management, economics, finance, international relations and political science will find this publication pertinent to furthering their understanding of financial reporting at the global level.

A Student's Guide to International Financial Reporting Standards Clare Finch, 2008. Accounting Standards contain important definitions, principles and accounting treatments which must be learned. All of these are covered in this book. By ensuring that students have good understanding of what the topic is about, this essential learning stops being a chore. This book is different from those that teach exam and memory techniques in that it takes such techniques and applies them to a real topic. Back cover.

Wiley IFRS Abbas A. Mirza, Graham Holt, Liesel Knorr, 2011-04-05. A one stop resource for understanding and applying current International Financial Reporting Standards. As the International Accounting Standards Board IASB makes rapid progress towards widespread acceptance and use of IFRS (formerly named International Accounting Standards) worldwide, the need to understand these new standards increases.
