THE SLANT BOOK

Peter Newell

The Slant By Peter Newell

M. O. Grenby, Andrea Immel

The Slant By Peter Newell:

The Slant Book Peter Newell,2013-11 **The Slant Book / Bobby bremst nicht** Peter Newell,2019-06-24 In seinem Kinderwagen saust Bobby die steile Straße hinterm Haus abwärts Wem er bei der Abenteuertour begegnet erleben wir in Vers und Bild in dem Kinderbuchklassiker von Peter Newell Garantiert schriftlich in Englisch und Deutsch *The Slant Book* Peter Newell,2015-09-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Rocket Book & the Slant Book** Peter Newell,Thomas Hudson,2014-07-31 In the early 1900s author Peter Newell wrote two special books for children to enjoy along with their parents For the youngest these were a read to me books For children with a few years of experience they could be read privately and enjoyed Every page of story is accompanied by an illustration showing exactly what Newell pictured happening as he wrote the story But each book had something very special about it For THE ROCKET BOOK right in the middle of the text from page to page special pictures showed how the hole being made by the errant rocket grew and grew For THE SLANT BOOK Newell had everything set at an angle Even the book was trimmed at an angle so the outside matched the inside We are uncertain if these ever were published together it is doubtful but here they are Together To enjoy Please note that because of their age these stories are in the Public Domain [The Slant Book](#) Peter Newell,2020-01-02 Watch out A little boy comes rushing down a hill through busy streets a pasture a tennis yard and a meadow before finally coming to rest safely in a haystack Peter Newell's own hilarious topsy turvy illustrations fill the pages of the classic *The Slant Book* which was one of the earliest picture books This first edition from 1910 is guaranteed to still entertain both young and old Peter Newell 1862-1924 was an American artist author and illustrator of children's books Creating his own picture books such as *The Hole Book* and *The Slant Book* he also illustrated first editions of books by authors such as Mark Twain Stephen Crane John Kendrick Bangs and Lewis Carroll **The Oxford Companion to American Literature** James D. Hart,Phillip Leininger,1995-10-12 For more than half a century James D Hart's *The Oxford Companion to American Literature* has been an unparalleled guide to America's literary culture providing one of the finest resources to this country's rich history of great writers Now this acclaimed work has been completely revised and

updated to reflect current developments in the world of American letters For the sixth edition editors James D Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982 To this end they have revised the entries on such established authors as Saul Bellow Norman Mailer and Joyce Carol Oates and they have added more than 180 new entries on novelists T Coraghessan Boyle Tim O'Brien Louise Erdrich Don De Lillo poets Rita Dove Weldon Kees playwrights Wendy Wasserstein August Wilson popular writers Stephen King Louis L'Amour historians James M McPherson David Herbert Donald William Manchester naturalists Aldo Leopold Edward Abbey and literary critics Camille Paglia Richard Ellmann In addition the Companion boasts more women's African American and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman M.F.K. Fisher William Least Heat Moon Ursula Le Guin and Oscar Hijuelos among many others These additions represent only some of the revisions for the new edition Of course the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever With over 5 000 total entries The Oxford Companion to American Literature reflects a dynamic balance between past and contemporary literature surveying virtually every aspect of our national literature from the Pulitzer Prize to pulp fiction and from Walt Whitman to William F. Buckley Jr There are over 2 000 biographical profiles of important American authors with information regarding their styles subjects and major works and influential foreign writers as well as other figures who have been important in the nation's social and cultural history There are more than 1 100 full summaries of important American novels stories essays poems with verse form noted plays biographies and autobiographies tracts narratives and histories The new edition provides historical background and astute commentary on literary schools and movements literary awards magazines newspapers and a wide variety of other matters directly related to writing in America Finally the book is thoroughly cross referenced and features an extensive and fully updated index of literary and social history Ranging from Captain John Smith to John Updike and from Anne Bradstreet to Anne Rice the sixth edition of The Oxford Companion to American Literature is up to date accurate and comprehensive a delight for both the casual browser and the serious student

The Rocket Book
Peter Newell, 2019-11-27 In *The Rocket Book* Peter Newell crafts a whimsical yet profound exploration of the wonders of childhood imagination and the boundless possibilities of exploration Illustrated with strikingly expressive images the book intertwines lyrical prose with fantastical illustrations creating a captivating narrative that appeals to both young readers and adults alike Set against the backdrop of the early 20th century a time rich with technological advancement and curiosity Newell's storytelling invites readers into a world where a simple cardboard box can transform into a rocket ship inviting endless adventures among the stars Peter Newell was an influential figure in the world of children's literature and illustration known for his innovative approaches and rich visual storytelling His background as both an artist and an author allowed him to seamlessly merge vivid imagery with narrative depth reflecting the playful spirit of his own childhood experiences Newell's work inspired by the principles of dynamic movement and the imagination of youth resonates with a

generation yearning for escapism in a rapidly changing world I wholeheartedly recommend *The Rocket Book* to readers of all ages as it not only entertains but also ignites the spark of creativity and encourages the exploration of one's imaginative potential It serves as a delightful reminder that the journey of discovery begins with a single dream making it a timeless addition to any literary collection

Wide Awake in Slumberland Katherine Roeder, 2014 The first study to place this genius of modern comics creation in his historical context

Suburban Landscapes Paul H. Mattingly, 2003-04-01 Certificate of Commendation from the American Association for State and Local History Most Americans today live in the suburbs Yet suburban voices remain largely unheard in sociological and cultural studies of these same communities In *Suburban Landscapes: Culture and Politics in a New York Metropolitan Community* Paul Mattingly provides a new model for understanding suburban development through his narrative history of Leonia New Jersey an early commuter suburb of New York City Although Leonia is a relatively small suburb a study of this kind has national significance because most of America's suburbs began as rural communities with histories that predated the arrival of commuters and real estate developers Examining the dynamics of community cultural formation Mattingly contests the prevailing urban and suburban dichotomy In doing so he offers a respite from journalistic clichés and scholarly bias about the American suburb providing instead an insightful nuanced look at the integrative history of a region Mattingly examines Leonia's politics and culture through three eras of growth and change 1859-94 1894-1920 and 1920-60 A major part of Leonia's history Mattingly reveals was its role as an attractive community for artists and writers many contributors to national magazines who created a suburban aesthetic The work done by generations of Leonia's artists provides an important vantage and a wonderful set of tools for exploring evolving notions of suburban culture and landscape which have broad implications and applications Oral histories census records and the extensive work of Leonia's many artists and writers come together to trace not only the community's socially diverse history but to show how residents viewed the growth and transformation of Leonia as well

The Colophon, 1934

Artistic Liberties Adam Sonstegard, 2014-02-24 A landmark study of the illustrations that originally accompanied now classic works of American literary realism Though today we commonly read major works of nineteenth century American literature in unillustrated paperbacks or anthologies many of them first appeared as magazine serials accompanied by ample illustrations that sometimes made their way into the serials first printings as books The graphic artists creating these illustrations often visually addressed questions that the authors had left for the reader to interpret such as the complexions of racially ambiguous characters in *Uncle Tom's Cabin* The artists created illustrations that depicted what outsiders saw in Huck and Jim in *Adventures of Huckleberry Finn* rather than what Huck and Jim learned to see in one another These artists even worked against the texts on occasion for instance when the illustrators reinforced the same racial stereotypes that writers such as Paul Laurence Dunbar had intended to subvert in their works Authors of American realism commonly submitted their writing to editors who allowed them little control over the aesthetic appearance of their work In his

groundbreaking Artistic Liberties Adam Sonstegard studies the illustrations from these works in detail and finds that the editors employed illustrators who were often unfamiliar with the authors intentions and who themselves selected the literary material they wished to illustrate thereby taking artistic liberties through the tableaux they created Sonstegard examines the key role that the appointed artists played in visually shaping narratives among them Mark Twain s Pudd nhead Wilson Stephen Crane s The Monster and Edith Wharton s The House of Mirth as audiences tended to accept their illustrations as guidelines for understanding the texts In viewing these works as originally published received and interpreted Sonstegard offers a deeper knowledge not only of the works but also of the realities surrounding publication during this formative period in American literature *Dr. Seuss* Philip Nel,2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss s career his poetry politics art marketing and place in the popular imagination Nel argues convincingly that Dr Seuss is one of the most influential poets in America His nonsense verse like that of Lewis Carroll and Edward Lear has changed language itself giving us new words like nerd And Seuss s famously loopy artistic style what Nel terms an energetic cartoon surrealism has been equally important inspiring artists like filmmaker Tim Burton and illustrator Lane Smith from back cover

Children's books, brain development, and language acquisition Ralf Thiede,2018-11-13 This book correlates English speaking children s brain development and acquisition of language with the linguistic input that comes from children s books Drawing from the most current research on the developing brain the author demonstrates how language acquisition is exclusively interactive and highlights the benefit that accrues when that interaction includes the exploratory language play found in early childhood literature Through discussions of specific domains of grammar the relation of these domains to children s literature through scaffolding and the resultant linguistic and cognitive advantages for the child this volume offers an innovative approach to early brain maturation *Harvard Magazine* ,1988 **The Cambridge Companion to Children's Literature** M. O. Grenby,Andrea Immel,2009-12-10 Some of the most innovative and spell binding literature has been written for young people but only recently has academic study embraced its range and complexity This Companion offers a state of the subject survey of English language children s literature from the seventeenth century to the present With discussions ranging from eighteenth century moral tales to modern fantasies by J K Rowling and Philip Pullman the Companion illuminates acknowledged classics and many more neglected works Its unique structure means that equal consideration can be given to both texts and contexts Some chapters analyse key themes and major genres including humour poetry school stories and picture books Others explore the sociological dimensions of children s literature and the impact of publishing practices Written by leading scholars from around the world this Companion will be essential reading for all students and scholars of children s literature offering original readings and new research that reflects the latest developments in the field How to Write a Children's Book and Get It Published Barbara Seuling,2011-01-06 Your one stop guide to writing and selling books for children Get the tools you need to Develop story ideas that work Strengthen your

writing skills Improve your work habits Write for different age groups Look at your work critically Submit proposals and manuscripts Find the right publisher for your work Understand and negotiate contracts Work with agents and editors Join the writing community Do you dream of becoming the next J K Rowling Are you excited about writing for children but have no idea how to begin or where to send your material Now respected children s writer Barbara Seuling gives you the essential steps to getting published in the competitive exciting world of children s literature From finding story ideas and creating character sketches to plotting writing dialogue editing and revising your work you ll learn how to complete a manuscript and prepare it for submission Whether you want to write picture or chapter books fiction or nonfiction poetry or plays Seuling helps you master the different genres and capture a child s interest and imagination from the early years to young adult Her fully revised guide also covers the major developments in book publishing including vital information about using the Internet to research the market and contact publishers Seuling even discusses recent successes such as the Harry Potter series as well as the growth of Amazon com Complete with updated lists of writing organizations marketing information and recommended reading this is the only guide you need to start writing get published and touch the lives of children *Please Touch* Susan Striker,1986-04-18 From Simon Schuster Please Touch is a guide to how to stimulate your child s creative development through movement music art and play Please Touch offers parents constructive age appropriate ways of developing their child s natural curiosity energy and creativity in the formative years before age four And doing so by leveraging all types of artistic endeavors Journal of the Illinois State Historical Society Illinois State Historical Society,1948 Issue for Mar 1948 contains paper The Beginnings of Swedish immigration into Illinois a century ago by Conrad Bergendoff *The Book Rat's Daughter* Carolyn Michaels Kerr,2025-10-09 The Book Rat s Daughter is Carolyn Michaels Kerr s affectionate portrait of her father the deeply respected and deeply book obsessed New Testament scholar J Ramsey Michaels told through the tangle of his lifelong devotion to books A self proclaimed book rat Ramsey began collecting as a boy an enthusiasm that never waned His idea of a good time involved a dusty used bookstore a good meal at a bargain price and a few hours of theological or literary conversation preferably over wine Drawing from his unfinished memoir some published writings and hours of recorded interviews because when your dad s a scholar even casual chats turn into archives Kerr traces not only the man behind the stacks but also the quiet evolution in their relationship after her mother s death Structured around stories of treasured finds antiquarian bookstore adventures and the rhythms of a reading life the memoir is part tribute part travelogue through their shared world of words It is also a study in primary sources first editions marginalia and the enjoyable challenge of keeping up with a man whose everyday conversation was liberally sprinkled with such words as eschatology dispensationalism and hermeneutics **The Cambridge History of American Poetry** Alfred Bendixen,Stephen Burt,2014-10-27 The Cambridge History of American Poetry offers a comprehensive exploration of the development of American poetic traditions from their beginnings until the end of the twentieth century Bringing together the

insights of fifty distinguished scholars this literary history emphasizes the complex roles that poetry has played in American cultural and intellectual life detailing the variety of ways in which both public and private forms of poetry have met the needs of different communities at different times The Cambridge History of American Poetry recognizes the existence of multiple traditions and a dramatically fluid canon providing current perspectives on both major authors and a number of representative figures whose work embodies the diversity of America's democratic traditions
