Achieving Success With Impossible Children How To Win The Battle Of Wills:

Achieving Success with Impossible Children Dave Ziegler, 2005 This book discusses working with challenging children in multiple settings such as adoption in school with parents and in residential care Case examples are provided throughout for added clarity It offers practical applications and hands on suggestions infused with humour for the parents of these special children

Distressed or Deliberately Defiant? Judith Howard, 2013-05-31 It is not unusual for educators today whether in the early childhood primary or secondary sectors to be confronted with severely challenging student behaviour students who fly into unexplained violent and oppositional outbursts with little warning who respond poorly to tried and true behaviour management processes Such behaviour has considerable impact on the delivery of teaching and learning programs and the emotional wellbeing of the teachers themselves as well as raising safety risks for the entire school community This book explains the basis for such behaviour as the neurological physiological and behavioural outcomes of disorganised attachment due to prolonged exposure to a traumatic home life and provides practical advice to educators on ways that schools can effectively manage these students By examining the science behind attachment theory the neurobiology of behaviour and the manifestation of disorganised attachment in the school context this book will help educators minimise such challenging behaviour manage crises and disciplinary responses such as suspension and expulsion improve student compliance enhance education and overall wellbeing deal with parents

Beyond Time-Out Beth A. Grosshans, Janet H. Burton, 2009-10-13 The covers of such magazines as Time and Newsweek have described parents as living in mayhem and madness with their children TV s Supernanny regularly captures kids wildly unbelievably out of control How did our families get to such a state Child psychologist Dr Beth Grosshans has the answer And mothers and fathers everywhere are listening In what is sure to become a much discussed blockbuster Dr Grosshans reveals why she believes nearly a half century of parenting advice with its emphasis on talking exalting children s self esteem and time outs is largely to blame for today s lack of discipline Her innovative ideas and techniques challenge this prevailing culture proving that power and authority are as essential as love and good intentions to effective parenting She persuasively explains why kids can only grow up healthy and strong when firmly led by their parents experience and better judgment and provides a clear easy five step program to follow She enables parents to look at themselves clearly and identify their child rearing style they are often shocked to discover how their own behavior has inadvertently caused an imbalance in the family s structure Reading Beyond Time Out is akin to sitting with Dr Grosshans in her clinical office and her core truths about healthy parent child relationships are timeless

God Can Turn It Around for You Apostle Dr. Joseph Ajao, 2011-11-21 Many books are out there that touched nations with powerful impact with biblical divine insight and with progressive encouragement to all that dare to read and believe Those books spurs many people to take positive actions about their lives Kudos to you all the great authors that made it possible for the needy people to receive help through self help books which is the best help Apostle Dr Joseph O Ajaos intention in this book is to bring the

testimonies of the real people that faced real problems but stood their grounds and received breakthrough to you Why Because the problems did not break them but built them up successfully The Apostle Dr Joseph Olutunde Ajao has done it again as he did in his former book that he wrote many years ago The New Fulfillment of The Old The proven evidence that Jesus Christ fulfilled the Scriptures In his book God can turn it around for you With God all things will be possible He proved once again that miracles have not ceased as many people believed now that miracles have stopped happening See John 4:48 Mark 2:12 Luke 1:37 Jeremiah 32:27 Jeremiah 33:3 Jeremiah 1:12 Psalm 50:15 Mark 11:22-25 He theologically biblically and inspirationally proved his point beyond every reasonable doubt that God can perform His miracles in your life if you believe that the Almighty God called Yahweh can do it right now The promises of miracles stand forever up till eternity by the power of the resurrection of our Lord Jesus Christ more than two thousand years ago If you read his book without any liberal theological goggle you shall understand and agree that Yahweh can turn your life around for good For with Almighty God nothing will be impossible See Luke 1:37 Luke 18:27 Matthew 18:18-20 Isaiah 40:8 Isaiah 42:8 Psalm 81:10
