Jonathan Tran

Achilles In Vietnam Combat Trauma And The Undoing Of Character:

Achilles in Vietnam Jonathan Shay, 1994 The number of books on the Vietnam War is by now vast and varied Until recently however there has been very little for the public to read about the psychological effect of that conflict on the men who fought in it Gradually it has come to be known that the combat veterans of Vietnam suffer in appalling numbers from what is known as Post Traumatic Stress Disorder PTSD Indeed of the three quarters of a million surviving combat veterans one quarter of a million suffer from this disorder and the personal costs it imposes For a full discussion of PTSD and its symptoms see the Introduction and Chapter 10 In *Achilles in Vietnam* Dr Jonathan Shay casts new challenging and irrefutable light on the lives of these men and the ravages of combat trauma on their minds and spirits For many years Dr Shay has been the psychiatrist for a group of Vietnam veterans In that time he has come to see an overwhelming and undeniable similarity between their experiences and those of the soldiers in the Iliad after all this centuries old epic is about soldiers in war and its disastrous consequences for their character More specifically the elements of Achilles story the betrayal by his commander the shrinking of his moral and social world to a small group of friends the death of one or more of these comrades the accompanying feelings of grief guilt and numbness followed by a berserk rage are heard over and over in the stories of these men who were once soldiers and are still caught up in that old struggle Drawing at length on these men s vivid and heart rending words as well as on Dr Shay s own close ingenious and persuasive reading of Homer s classic story *Achilles in Vietnam* has already been acclaimed by soldiers writers classicists and psychiatrists It should transform any and all future discussions of the Vietnam War

Achilles in Vietnam Jonathan Shay, William Daniel Ehrhart, 1993 *Moral Injury and the Humanities* Andrew I. Cohen, Kathryn McClymond, 2023-08-11 This book brings together leading interdisciplinary scholars to broaden and deepen the conversation about moral injury In the original chapters the contributors present new research to show how the humanities are crucial for understanding the expressions meaning and significance of moral injury Moral injury is the disorientation we suffer when we are complicit in some moral transgression Most existing works address moral injury from a clinical or neuroscientific perspective The chapters in this volume show how the humanities are crucial for understanding the meaning and significance of moral injury as well as suggesting how to grapple with its lived challenges The chapters address the conceptual sociological historical and ritualistic dimensions of moral injury across three thematic sections Section 1 explores how tools of the humanities provide new lenses for understanding conceptual and genealogical themes about moral injury Section 2 highlights the experiences of moral injury in combat soldiers law enforcement and noncombatants such as photojournalists These chapters examine the power and limits to theorizing moral phenomena by appeals to lived experience Section 3 considers how humanistic inquiry illuminates important dimensions of the aftermath of moral injury beyond the scope of clinical research These chapters consider how ritual relationship repair and atonement might shape the ways people

navigate moral injury and consider how such responses shape our understanding of what we owe to one another Moral Injury and the Humanities Interdisciplinary Perspectives is an essential resource for researchers and advanced students in philosophy religious studies literature journalism and the arts who are interested in moral injury Emerging treatments and approaches for moral injury and moral distress Eric Vermetten,Chelsea Jones,Andrew James Greenshaw,Lorraine Alison Smith-MacDonald,Suzette Brémault-Phillips,Jackie June ter Heide,2023-02-24 Studies in Intelligence ,2014 A Century in Uniform Stacy Fowler,Deborah A. Deacon,2020-01-17 From silents of the early American motion picture era through 21st century films this book offers a decade by decade examination of portrayals of women in the military The full range of genres is explored along with films created by today s military women about their experiences Laws regarding women in the service are analyzed along with discussion of the challenges they have faced in the push for full participation and of the changing societal attitudes through the years The Age of Terror Ebrahim Amanat, MD, *The Great Power Competition Volume 4* Adib Farhadi,Anthony Masys,2023-05-02 Lessons Learned from Afghanistan America s Longest War examines the lessons of how America s longest war came to an ignominious end with staggering consequences for the United States and the Afghan nation Afghanistan today faces an unprecedented humanitarian crisis looming threat of a civil war and a resurgence of violent extremism organizations similar to pre 9 11 As the U S enters a new era in the strategic geopolitical Great Power Competition an analysis of the original mission intent shifting policy and strategic objectives and ineffective implementation of security political and economic programs reveal critical lessons and questions such as What led to the strategic failure of the U S in Afghanistan What decisions resulted in the present day humanitarian civil and political crises in Afghanistan Were these consequences in fact avoidable Was there an alternative approach that could have maintained the hard fought gains of the last two decades and better demonstrated America s standing as a defender of global human rights Lessons Learned from Afghanistan America s Longest War further explores lessons of the past negotiations between the United States Taliban and former U S backed Afghan government to suggest alternative pathways that honor the original intent of the mission and meet present day obligations to an Afghan nation in crisis *Combat Trauma and the Ancient Greeks* P. Meineck,D. Konstan,2014-09-11 This ground breaking book applies trauma studies to the drama and literature of the ancient Greeks Diverse essays explore how the Greeks responded to war and if what we now term combat trauma post traumatic stress or combat stress injury can be discerned in ancient Greek culture **Rapprochement Between Fathers and Sons** Louis Rothschild,2023-11-23 Following Freud s rather cold conception of fathers and a relative neglect of their role in psychoanalytic theory is a challenge to continue more recent efforts to develop a psychoanalytically affirmative portrait of fatherhood Here fathers are attuned to relational mutuality and intimacy as a source of flourishing Rapprochement is understood as a sub phase of child development marked by a dramatic expression of conflict such as Hear me see me give me space don t give me space In addition rapprochement is considered to characterize conflicts between autonomy and

dependency across the lifespan An often muted and subtle tension between holding and letting go persists Working with what is felt entails entering a never fully completed negotiation marked by misreadings bias and illusion Father is understood to be a name pointing to a parenting function With material that includes the grief of failed reunion particular stories are mediated through thinking alongside philosophy and psychoanalytic theory in order to further explore the difficulty of integrating nurturing capacities into conceptions of masculinity As a critique of gendered rigidity a case is made for a social surround that declares mutual vulnerability to exist in a state of permanent inquiry and relational curiosity Such openness can function to aid parents clinicians and respective community members to privilege the development of increased frustration tolerance By extension a good enough father is one who recognizes breakdown a need for refueling and possesses and practices a willingness to encounter uneven rhythms in human dimensions This thoughtful work brings fresh insight into the role of the father and masculinity and is essential reading for mental health professionals **Care for the Sorrowing**

Soul Duane Larson, Jeff Zust, 2017-10-26 Moral Injury is now recognized as a growing major problem for military men and women Operant conditioning can overwhelm moral convictions and yet the question of whether to shoot or not to shoot often will never have a settled answer Certain theories and treatment models about MI have been well developed but too often overlook root issues of religious faith The authors propose a new model for understanding moral injury and suggest ways to mitigate its virtually inevitable occurrence in pre combat training and ways to resolve MI post trauma with proven spiritual resources People outside the military too among whom the incidence of MI also is a growing threat will benefit from this analysis The stories of the injured their shaping and their telling are the key and there are many illuminating stories of moral injury and recovery Those who suffer MI their families and caregivers including counselors pastors and faith communities will find hope giving first steps toward the healing of MI in this book Parameters ,1995 **The Vietnam War and**

Theologies of Memory Jonathan Tran, 2010-03-02 The Vietnam War and Theologies of Memory develops atheological analysis of the American war in Vietnam and constructs a Christian account of memory in relation to this tragic conflict An elegantly written reflection of memory and forgiveness this unique work explores the ecclesial practice of memory in relation to the American war in Vietnam Questions how and why we choose to remember atrocity and asks whether it is ever ethical to simply forget Explores the theological categories of time and eternity and the ideas of thinkers including Aquinas Augustine and Barth Reveals broader insights about history memory and redemption Resonates beyond the field of theological inquiry by offering a broader analysis of war entirely relevant to our time The Heart of What Matters Anthony Cunningham, 2001-09-04 This is a wonderful book beautifully written deeply moving and philosophically well argued I loved it Nel Noddings author of Caring A Feminine Approach to Ethics and Moral Education This book gives us something all too rare in contemporary philosophical writing a passionate careful deeply sympathetic and sustained analysis of some important literary narratives in aid of a clearly defined philosophical project Whether one agrees with Cunningham's conclusions or not

his treatment of the texts is inspiring and illuminating Lawrence C Becker author of A New Stoicism **Ethics and War in the 21st Century** Christopher Coker,2008-01-31 This book explores the ethical implications of war in the contemporary world It explains why it is of crucial importance that western countries should continue to apply traditional ethical rules and practices even when engaging with terrorist groups **The Journal of Military History** ,1995 Includes scholarly articles and book reviews on topics in military history The Trojan War Diane P. Thompson,2013-06-13 The Trojan War occurred more than 3 000 years ago Since then starting with Homer s epics people have been writing painting sculpting and creating music about this event and its participants This book starts with an overview of the Bronze Age when the Trojan War occurred and then follows a selection of the major literature about this war from Homer down through the ages and on to the Internet Each retelling of the Troy story is discussed in its historical context and includes a synopsis of the story itself The ways of telling the story change over time The main versions considered include Homer s Iliad and Odyssey a selection of Classical Greek Dramas especially Iphigenia at Aulis Virgil s Aeneid Chaucer s Troilus and Criseyde Guido delle Colonne s History of the Destruction of Troy Racine s Iphigenia at Aulis Goethe s Iphigenia in Tauris Shakespeare s Troilus and Cressida Joyce s Ulysses and two feminist Troy novels Sheri Tepper s The Gate to Women s Country and Marion Zimmer Bradley s The Firebrand Instructors considering this book for use in a course may request an examination copy here

Desire in the Iliad Rachel H. Lesser,2022 The first study to examine desire in the Iliad in a comprehensive way explaining its relationship to the epic s narrative structure and audience reception The author offers a new reading of the poem that shows how the characters desires especially those of mortal hero Achilles and divine king Zeus motivate plot and engage the audience **Back from the Front** Aphrodite Matsakis,2007 **The Self Psychology of Addiction and its**

Treatment Richard B. Ulman,Harry Paul,2013-04-03 In the time of Freud the typical psychoanalytic patient was afflicted with neurotic disorders however the modern day psychotherapy patient often suffers instead from a variety of addictive disorders As the treatment of neurotic disorders based on unconscious conflicts cannot be applied to treatment of addictive disorders psychoanalysis has been unable to keep pace with the changes in the type of patient seeking help To address the shift and respond to contemporary patients needs Ulman and Paul present a thorough discussion of addiction that studies and analyzes treatment options Their honest and unique work provides new ideas that will help gain access to the fantasy worlds of addicted patients The Self Psychology of Addiction and Its Treatment emphasizes clinical approaches in the treatment of challenging narcissistic patients struggling with the five major forms of addiction Ulman and Paul focus on six specific case studies that are illustrative of the five forms of addiction They use the representative subjects to develop a self psychological model that helps to answer the pertinent questions regarding the origins and pathway of addiction This comprehensive book links addiction and trauma in an original manner that creates a greater understanding of addiction and its foundations than any clinical or theoretical model to date

Achilles In Vietnam Combat Trauma And The Undoing Of Character Introduction

In the digital age, access to information has become easier than ever before. The ability to download Achilles In Vietnam Combat Trauma And The Undoing Of Character has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Achilles In Vietnam Combat Trauma And The Undoing Of Character has opened up a world of possibilities. Downloading Achilles In Vietnam Combat Trauma And The Undoing Of Character provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Achilles In Vietnam Combat Trauma And The Undoing Of Character has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Achilles In Vietnam Combat Trauma And The Undoing Of Character. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Achilles In Vietnam Combat Trauma And The Undoing Of Character. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Achilles In Vietnam Combat Trauma And The Undoing Of Character, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Achilles In Vietnam Combat Trauma And The Undoing Of Character has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Achilles In Vietnam Combat Trauma And The Undoing Of Character Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Achilles In Vietnam Combat Trauma And The Undoing Of Character is one of the best book in our library for free trial. We provide copy of Achilles In Vietnam Combat Trauma And The Undoing Of Character in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Achilles In Vietnam Combat Trauma And The Undoing Of Character. Where to download Achilles In Vietnam Combat Trauma And The Undoing Of Character online for free? Are you looking for Achilles In Vietnam Combat Trauma And The Undoing Of Character PDF? This is definitely going to save you time and cash in something you should think about.
