Fool's Gold Zana Bell, 2014-09-03 There's a mother lode of romance and adventure as two fiery souls find something more valuable than gold in the paradise of New Zealand It's 1866 and the West Coast Gold Rush is bringing a flood of fortune hunters to New Zealand But Lady Guinevere Stanhope has come not for gold but for fauna determined to carry on her father

s dream of capturing the rarest of wildlife on film which could be quite valuable scientifically and perhaps financially Quinn O'Donnell dreams only of striking gold Driven out of his native Ireland his fierce pride makes him loath to help any English person let alone a lady as haughty and obstinate as Guinevere But when she's caught in a flash flood Quinn is forced by his conscience to rescue her Bound by chance in a dangerous land the pair share an unlikely alliance which slowly grows into a passionate treasure that neither can ignore or resist *What Am I to Do Now, Mama?* Elizabeth Harris,2014-09-29 Coy Bronson is a talented man who left the mountains of North Carolina to follow his dream to California Despite many obstacles Coy leans on his mother's encouragement and develops a successful career as an actor director producer and writer a career that takes him from Hollywood to New York and Europe during World War II Known for working with some of the best actors of his time Charlton Heston Rock Hudson Liz Taylor and Ethel Waters Coy is shocked when he receives news that his friend James Dean has been killed in a car accident While attending his funeral Coy sees a beautiful guest who he knows does not belong there She is Norma Jeane and Coy has no idea that very soon she will be accused of stealing scripts from Liz Taylor As Coy becomes immersed in the investigation he partners with Hudson to either force Norma to confess or uncover the real perpetrator But when their search leads to murder Coy is led down a path of personal memories where he relives his journey to achieve his dream In this compelling novel a Hollywood director reveals a glimpse into a special relationship with his Mama and his experiences with movie icons as they face a tragedy together **In a Far Place** Liz Harris,2022-11-15 How much would you give up to follow your dreams Birmingham 1967 When trainee doctor Peter meets beautiful student nurse Claire an instant connection hits them both like a physical force But beneath his obvious love for Claire and his vocation for medicine Peter has a fierce longing for adventure born out of his lonely childhood in Ladakh It's a longing he can barely admit to himself In a devious attempt to come between the pair Peter's friend Alex lends him an article about the Flying Doctors of Australia From this simple action come stark thrilling and heart breaking consequences for all three of them **A Forgotten Landscape** Ariana Mangum,2008-11 A beautifully told comprehensive history of the Houghton family of Virginia during World War Two **With Regrets** Lee Kelly,2023-09-05 With Regrets from author Lee Kelly is equal parts Big Little Lies and Bird Box a suburban drama wrapped in a 24 hour survival story at the end of the world perfect for fans of David Koepp's Aurora Seven courses seven guests twenty four hours that will obliterate everything When recent NYC transplant Liz Brinkley and her husband are invited to an exclusive soiree by their neighbor lifestyle guru Britta Harris Che Liz's immediate thought is hell no Britta is insufferable and Liz is wary to leave her young children with a barely teenage babysitter And yet she RSVPs anyway trying to extend an olive branch to her withdrawing husband who seems desperate to get in with the cliquey elite They've barely made it through their first round of champagne when a red alert comes through their phones and every channel on the television tells the same story strange atmospheric masses reported to look like glimmering clouds have been spreading through major U.S. cities and killing anyone they touch Authorities have just one clear directive Find shelter

Immediately A collective panic seizes the dinner party all the guests have children at home In the mad dash to their cars they see it a shimmering net floating over the town The street is littered with wrecked cars and dead bodies Leaving now is not an option Instead the group launches into survival mode grabbing supplies to take shelter in the hosts wine cellar But everyone has very different opinions about the best plan from there Liz becomes increasingly willing to do anything it takes to get back to her children As the glimmering clouds continue to kill anyone who steps outside the tensions and suspicions among the party guests near a boiling point But she begins to realize that there may be others in that cellar even more desperate than she is

Payne,2011-02-26 In the year 1770 twenty year old Jacob Harris was called before the king who knew of his great desire to go to the New World across the ocean In respect for the dedicated service of Jacob s father and grandfather to the Crown the king presented him with a land grant of ten thousand acres boat passage and enough gold coins to start a new life in the new land Jacob fell to his knees upon seeing for the first time the magnificent virgin trees and giving the name of Tall Tree to the vast acreage He spent twenty years carving out many acres to plant and acres for grazing and built a large brick house before marrying Ruth now thirty years old whom

he first met on the boat as a shy ten year old A little girl at the time telling her mother she just met the only man she would ever consider marrying someday Several years after their marriage they had one son William Jacob even though he purchased slaves to help him and three other white men to clear the land never treated them as slaves taking time to educate them to do things and think on their own William who later inherited the land followed and improved on his father s ideas in the treatment of the black people As a young boy he forged a bond of great friendship with another young boy at the time A boy of the black race who by a quirk of nature grew to a gigantic size A sad time in the period of the Civil War fate brought with her a heavy hand full of tragedies to dump on the beautiful grounds of Tall Tree and its inhabitants The many tragedies that seemed to be unfair in its great toll on the Harris family One was to cause the disappearance of two special gold rings to finally return home from their travels in 1945 and to try once again to bring about the happiness they were forged to do eighty one years ago The Granite Farm Letters John Rozier,1988 Gathers letters between Edgeworth Byrd a Confederate soldier planter and slave owner and his wife and daughter Flower's Political review and monthly register.
