Demystifying Bigotry Paul R. Lehman, 2017-09-14 The one constant in our world has always been change We recognize many of the

changes from global climate to the size of soda cans accept them as part of the process One change that has become more apparent now than in the past is the area of demography One of the results in conjunction with these demographic changes is the deconstruction of the concept of race Although they will not admit it some people do not like to talk about race and racism primarily because they know little about it So rather than show their ignorance on the topic they avoid the subject as much as possible Unfortunately change continues to occur and whether we want to or not America will have to deal with the changing demographic atmosphere the browning effect This book developed over a number of years helps the reader to understand race and racism in America Demystifying Bigotry by Paul R. Lehman, 2018-12-27 For many Americans bigotry and white privilege are simply some things they read or hear about but never seem to experience on a personal level Many have heard our society described as an ethnically diverse society but never really paid any attention to that diversity Often when people hear about social injustices committed against American citizens the sentiment they probably deserved it often comes to their minds without much thought For all the people that fit into any of the aforementioned categories this book serves as an introduction to ethnic bigotry as it exists in everyday life in America The majority of the blog selections in this book are discussions reactions or analysis of occurrences in everyday America that lend themselves to an insight interest into bigotry and the attitudes ideas and behavior that accompany it Regardless of the conflicts in the selections the conclusions are generally optimistic
