INTERFACIAL PHENOMENA that were held July 1 15 1986 in LA RABIDA Huelva SPAIN Although we are aware of the
difficulty in organizing the contents due to the broad and multidisciplinary aspects of PCH Interfacial Phenomena we have
tried to accomodate papers by topics and have not followed the order in the presentation at the meetings There is also no
distinction between the ASI notes and Conference papers We have done our best to offer a coverage as complete as possible
of the field However we had difficulties coming from the fact that some authors were so busy that either did not find time to
submit their contribution or did not have time to write a comprehensive paper We also had to cope with very late arrivals
postdeadline valuable contributions that we felt had to be included here Our gratitude goes to the NATO Scientific Affairs
