Phila-ITALY AMERICANA Gerardo Perrotta,2013-06-04 *Library Journal* ,2008 The Case for the Humanities Eric Touya de Marenne,2016-12-01

Countering the perception that the humanities are unessential this volume contends that their well being has not only academic but also cultural political and existential ramifications Our technologically driven world possesses the means of its own destruction while economic and financial policies undermine the very existence of our democracy At the same time the postmodern and post human age fundamentally challenges our ability and legitimacy to conceive future ideals It is within this context that the humanities provide essential paths through which the teaching and knowledge of other academic fields such as STEM and economics must be re envisioned In short the humanities must be brought back to the center of academic life The political and pedagogical implications of this interdisciplinary study thus entail a renewed critique to rethink the relation between higher education society and the world at large politically economically scientifically and technologically and the importance of the humanities within it At the heart of this reconsideration the humanities and humanity s fate and future become one
