Sociological Aspects of Crime and Delinquency (Routledge Revivals) Michael Phillipson, 2014-10-14 The field of crime and delinquency attracts a great deal of heated and partial opinion prejudice and other forms of mal thinking When there is a scientific approach there tends to be a psychological explanation This book first published in 1971 is a corrective to both trends It is a discussion of criminal behaviour in relation to a wide range of behaviours which could be called deviance and regards the whole field from the sociological point of view The whole discussion is related to social policy and is vital reading for students of sociology and criminology      **Sociological Aspects of Crime and Delinquency** Michael Phillipson, 1971

Inequality, Crime and Public Policy (Routledge Revivals) John Braithwaite, 2013-09-13 First published in 1979 Inequality Crime and Public Policy integrates and interprets the vast corpus of existing research on social class slums and crime and presents its own findings on these matters It explores two major questions First do policies designed to redistribute wealth and power within capitalist societies have effects upon crime Second do policies created to overcome the residential segregation of social classes have effects on crime The book provides a brilliantly comprehensive and systematic review of the empirical evidence to support or refute the classic theories of Engles Bonger Merton Cloward and Ohlin Cohen Miller Shaw and McKay amongst many others Braithwaite confronts these theories with evidence of the extent and nature of white collar crime and a consideration of the way law enhancement and law enforcement might serve class interest      *Progress in Urban Geography (Routledge Revivals)* Michael Pacione, 2014-06-23 A substantial proportion of the world s population now live in towns and cities so it is not surprising that urban geography has emerged as a major focus for research This edited collection first published in 1983 is concerned with the effects on the city of a wide range of economic social and political processes including pollution housing health and finance With a detailed introduction to the themes and developments under discussion written by Michael Pacione this comprehensive work provides an essential overview for scholars and students of urban geography and planning      *Criminology* John Tierney, Maggie O'Neill, 2013-12-16 Criminology theory and context third edition expands upon the ideas presented in previous editions while introducing new material on critical theory feminism masculinities cultural criminology and postmodernism The text has been thoroughly updated throughout to reflect key perspectives in contemporary criminological theory Relevant updates include discussions on New Labour s criminal justice and penal policies in its third term in office and the latest developments in criminal justice and the politics of law and order in the UK and US This edition revisits societal and cultural influences that have shaped the discipline and invites the reader to re examine the phenomena of crime and deviance Criminology theory and context third edition is presented in a logical structure and adopts an accessible framework The text is essential reading for students of criminology criminological theory and criminal justice and will also be of key interest to those studying sociology law and the wider social sciences

**The Delinquent Solution (Routledge Revivals)** David Downes, 2013-10-30 First published in 1966 The Delinquent

Solution presents a study of crime associated with the nature of subcultures The book discusses issues such as the concept and theory of subcultures the life of delinquent gangs and the English experience of delinquent subcultures It also takes an in depth look at the Stepney and Poplar survey on crime from 1960 analysing both statistical data and more informal observations Although the book was written over forty years ago the issues discussed remain relevant and strong areas of interest **The Sociology of Youth Culture and Youth Subcultures (Routledge Revivals)** Michael Brake,2013-10-08

First published in 1980 this book argues that subcultures are formed in defence of collectively experienced problems that arise from defects and contradictions in social structures Mike Brake looks at the development of post war youth culture in a sociological context and considers the class base of youth subcultures showing that they generate a form of collective identity from which an individual identity can be achieved outside that ascribed by class education or occupation Black youth and young females are two groups given special attention here since Brake notes they are prone to particular problems resulting from the racism and sexism inherent in much youth culture *Crime, Drugs and Social Theory* Chris Allen,2007 Do criminal cultures generate drug use Crime Drugs and Social Theory critiques conventional academic and policy thinking concerning the relationship between urban deprivation crime and drug use and outlines an innovative constructionist phenomenologic

Perceptions of Female Offenders, Vol. 2 Brenda Russell,Celia Torres,2023-11-27 This new edition is a nuanced exploration of female involvement in various crimes from delinquency domestic violence sexual assault and homicide that resonates with the pulse of contemporary society In an age where many events are tweeted and debated online this book delves into the intricate ways social media portrays female offenders and how this can distort public perceptions and effect legal outcomes Volume two includes recent research and theory examining how female perpetration is intricately related to gender roles that persist within the criminal justice system and often lead to gender disparities in treatment criminal justice response and sentencing and calls into question long held beliefs and systems that might not be as impartial as they appear The compelling nature of this volume addresses the complex relationship between trauma and offending and examines crucial subjects like partner violence homicide and the unique challenges faced by trans women within the criminal justice system and examines the myths associated with female offending and how that bleeds into criminal justice response It addresses theories that provide insight into female offending and sentencing and offers ways to generate gender inclusiveness This volume invites researchers practitioners and advocates for justice to join a vital conversation and develop a more informed and equitable criminal justice response *Time and Punishment* Nicola Carr,Gwen Robinson,2022-11-02

This book provides a novel exploration of time and temporality in relation to punishment and criminal sanctioning It goes beyond focussing on the prison to address punishment more broadly with contributions on punishment in the community including after periods of imprisonment and in areas of the criminal justice system which have typically received less attention such as prison transportation between prisons The collection also includes a focus on temporality in criminal justice

policy and its potential impacts on speeding up justice as well as the experiential nature of punishment The book includes contributions from scholars in UK and Europe with largely original research and draws on the international literature It hopes to encourage punishment scholars to consider how ideas from the sociology of time can inform their own research

criminal justice system has arguably slipped down the agenda and the authors of this collection draw on original research to make the compelling case for a swift remedy to this. Drawing on recent academic studies and professional experience to set an agenda for future research as well as legal and policy reform, this book injects new life into the dialogue surrounding women and the criminal justice system. Innovative and timely, this collection of essays holds broad appeal to academics and practitioners as well as students of criminology, criminal justice and law, and all those with an interest in feminism, justice and inequality.

Crime, Criminal Justice and Religion Philip Birch, Conor Murray, Andrew McInnes, 2022-12-30

Crime, Criminal Justice and Religion: A Critical Appraisal seeks to bridge a gap in the examination of crime and criminal justice by taking both a historical and a contemporary lens to explore the influence of religion. Offering unique perspectives that consider the impact on modern day policy and practice, the book scrutinises a range of issues such as abortion, hate crime and desistance, as well as reflecting upon the influence religion can have on criminal justice professions. The book acts to renew the importance of and recognise the influence and impact religion has in terms of how we view and ultimately address crime and deliver criminal justice.

One of the first books to cover the area of crime, criminal justice and religion, the book is split into three parts. Part 1: Contextualising Crime, Criminal Justice and Religion, providing an introduction to crime, criminal justice and religion, and reflections on the role religion has had and continues to have in how crime is understood and how we respond to it. Part 2: Appraisal of Institutions and Professional Practice, considers the issue of religion through institutions and professions of criminal justice such as the police and legal profession, while part 3: Appraisal of Contemporary Issues, explores a range of crime and criminal justice issues in on which religion has had an impact such as the death penalty and terrorism.

Crime, Criminal Justice and Religion will be of primary interest to academics, researchers and students in criminology, law, sociology, psychology, social policy and related Humanities, Arts and Social Sciences disciplines. It will also be of interest to theologians, both as scholars and practitioners. The book is a body of work that will appeal at an international level and will also be a key resource for a range of practitioners across the globe working on issues concerning crime and criminal justice.
