Russia's Diamond Colony John Tichotsky, 2014-01-02 This study looks at the reform process in Sakha and at a one hundred year history of economic development The research revealed that Sakha s progress has always been determined by the export of key resources *Handbook for Northern Europe; Including Denmark, Norway, Sweden, Finland, and Russia. New Edition, Partly Re-written, and Corrected Throughout ... With Maps and Plans* John Murray (Firm), 1849 **The Birth of the Soviet Secret Police** Boris Volodarsky, 2023-05-31 This book is new in every aspect and not only because neither the official history nor an unofficial history of the KGB and its many predecessors and successors exists in any language In this volume the author deals with the origins of the KGB from the Tsarist Okhrana the first Russians secret political police to the OGPU Joint State Political Directorate one of the KGB predecessors between 1923 and 1934 Based on documents from the Russian archives the author clearly demonstrates that the Cheka and GPU OGPU were initially created to defend the revolution and not for espionage The Okhrana operated in both the Russian Empire and abroad against the revolutionaries and most of its operations presented in this book are little known The same is the case with regards to the period after the Cheka was established in December 1917 until ten years later when Trotsky was expelled from the Communist Party and exiled and Stalin rose to power For the long period after the Revolution and up to the Second World War and indeed beyond until the death of Stalin the Cheka s main weapon was terror to create a general climate of fear in a population In the book the work of the Cheka and its successors against the enemies of the revolution is paralleled with British and American operations against the Soviets inside and outside of Russia For the first time the creation of the Communist International Comintern is shown as an alternative Soviet espionage organization for wide scale foreign propaganda and subversion operations based on the new revelations from the Soviet archives Here the early Soviet intelligence operations in several countries are presented and analyzed for the first time as are raids on the Soviet missions abroad The Bolshevik smuggling of the Russian imperial treasures is shown based on the latest available archival sources with misinterpretations and sometimes false interpretations in existing literature revised After the Bolshevik revolution Mansfield Smith Cumming the first chief of SIS undertook to set up an entirely new Secret Service organization in Russia During those first ten years events would develop as a non stop struggle between British intelligence within Russia and abroad and the Cheka later GPU OGPU Before several show spy trials in 1927 British intelligence networks successfully operated in Russia later moving to the Baltic capitals Finland and Sweden while young Soviet intelligence officers moved to London Paris Berlin and Constantinople Many of those operations from both sides are presented in the book for the first time in this ground breaking study of the dark world of the KGB The Life of Catharine II, Empress of Russia William Tooke, 1800 **Eclectic Magazine, and Monthly Edition of the Living Age** John Holmes Agnew, Walter Hilliard Bidwell, 1874 *Russia Review* , 1999 British Foreign Office Russia Correspondence , 1982 **Through Russia: from St. Petersburg to Astrakhan and the Crimea** Maria

Guthrie, Katharine Blanche Guthrie, 1874 *Handbook for Northern Europe: Finland and Russia*, 1849 *Through Russia: from St. Petersburg to Astrakhan and the Crimea* Mrs. Maria Guthrie, 1874 British Foreign Office Russia Correspondence, 1918-1921, 1982 **Handbook for Northern Europe; Including Denmark, Norway, Sweden, Finland, and Russia. With Maps and Plans** John Murray (Firm), 1849 **Decentralization of the Socialist State** Richard Miller Bird, Robert D. Ebel, Christine Wallich, 1995-01-01 World Bank Discussion Paper No 271 This study incorporates data from comparable surveys across five African countries Ghana Malawi Mali Senegal and Tanzania to analyze how small and micro enterprises have been positively and negatively affected by policy liberalization schemes Some grow rapidly by adapting their products while others stagnate because of import competition and increased self employment Comparisons were made between small firms with 6 to 49 workers and microenterprises with fewer than 6 The study suggests a two pronged strategy 1 to facilitate widespread participation in microenterprises broad measures are needed to lower the costs of entry generate demand for their goods and services raise the educational level and incomes of the poor and encourage informal financial institutions 2 to stimulate growth of potentially dynamic enterprises well targeted measures may be appropriate to lower the costs of entry increase access to credit and provide demand driven business services Also available in French ISBN 0 8213 3907 0 Stock No 13907 *Everyday Jewish Life in Imperial Russia* ChaeRan Y. Freeze, Jay M. Harris, 2013-12-03 This book makes accessible for the first time in English declassified archival documents from the former Soviet Union rabbinic sources and previously untranslated memoirs illuminating everyday Jewish life as the site of interaction and negotiation among and between neighbors society and the Russian state from the beginning of the nineteenth century to World War I Focusing on religion family health sexuality work and politics these documents provide an intimate portrait of the rich diversity of Jewish life By personalizing collective experience through individual life stories reflecting not only the typical but also the extraordinary the sources reveal the tensions and ruptures in a vanished society An introductory survey of Russian Jewish history from the Polish partitions 1772 1795 to World War I combines with prefatory remarks textual annotations and a bibliography of suggested readings to provide a new perspective on the history of the Jews of Russia **A Fistful of Rubles** Juliet Johnson, 2000 Johnson argues that these legacies along with misguided Western inspired liberalization policies led to the creation of parasitic banks for which success depended on political connections rather than on investment strategies From the Kur to the Aras George Bournoutian, 2020-12-29 In *From the Kur to the Aras* George A Bournoutian presents the first military history of the Russian advance into the South Caucasus in 1801 and the ensuing First Russo Iran War 1804 1813 that was a crucial step in the Russian Empire's eventual expansion into the Caucasus region Using both Iranian and Russian primary sources the work vividly describes the strategies military capabilities and personalities that clashed for ten years ending with the Treaty of Golestan Numerous and illustrative maps as well as informative appendices add to a balanced view of a struggle between an ancient and an emerging empire *Russia and the Russians, in 1842* Johann Georg
