

Sample Constitution and By-Laws

A constitution and by-laws are written to guide an organization in its operations and activities. These documents should be clearly worded, intentionally structured, and kept up-to-date to meet the needs of the student organization.

The constitution:

- Establishes the broad structure and fundamental principles of an organization
- Should be straightforward and comprehensive
- Should be difficult to amend

The by-laws:

- Outline the rules of procedures for an organization
- Should be consistent with the constitution
- Tend to be easier to amend than the constitution

The following sample constitution and by-laws are provided as a **guideline** to assist you in writing or revising your organization's constitution. There are many ways to structure an organization, so feel free to write your constitution or by-laws to meet the needs of your organization. For further assistance, contact the SGA Student Organizations Committee Chair (Jake Haigis – haigisbl@xavier.edu).
