As Thick As Thieves Foolish Felons And Loopy Laws:

As Thick As Thieves Richard O Smith, 2013-09-02 Standing in an ID parade of incompetence waiting to be picked out as Britain's stupidest criminal we've assembled a line up of bungling burglars asinine assailants and thick thieves Dipping their stolen bucket of opportunity into the well of other people's stuff only to fall into the well themselves and get the bucket stuck on their head this book chronicles the crimes against common sense committed by these dim witted deviants Also featured in this compendium of criminal idiocy are the bank robber who used a No 72 bus as his getaway vehicle it was almost as though the police knew where he was headed to next the bag snatcher who robbed an elderly lady of the bag she'd just used to clear up responsibly after her dogs and the burglars who left their four year old son and a wallet containing full ID at the crime scene Also rounded up for routine questioning are the bank robbers who gifted the police a dropped map marking the preferred route from bank to hideout and armed robbers who raided a laundry van to steal used towels whilst their intended target a wages van drove slowly past Charged with being in possession of an idiotic plan and sentenced to a life term of stupidity they're reversing the getaway vehicle into a police car and handing over their belt to the custody sergeant with the inevitable consequence of their trousers falling down As thick as thieves indeed It's a case admittedly a rather easy one for the police to dial M for Muppet This is an ideal gift book that will make you laugh out loud [Oxford Student Pranks](#)

Richard O Smith, 2010-08-16 Oxford University is famed for the intelligence and innovation of its students However not all the undergraduates have devoted their talents to academia instead they spent their time devising ingenious and hilarious pranks to play on their unsuspecting dons This fascinating volume recalls some of the greatest stunts and practical jokes in the university's history including those by Oscar Wilde Percy Shelly Richard Burton and Roger Bacon Ranging from the stunt that gave Folly Bridge its name and a nineteenth century jape that resulted in the expulsion of all the students from University College to the long running rivalry between Town and Gown and the exploits of the infamous Bullington Club this enthralling work will amaze and entertain in equal measure and may well prove a source of inspiration for current students wishing to enliven their undergraduate days **The Twitmarsh Files** R T Fishall, 2010-04-05 Patrick Moore is Britain's

most respected and best loved astronomer But under his nom de plume R T Fishall he is also the scourge of bureaucratic incompetence exposing stupidity wherever he finds it especially amongst tax inspectors and traffic wardens From humorous and genuine examples of how they can make a mountain of paperwork in triplicate out of a molehill to essential tips on how to counter their machinations and give them a taste of their own medicine it also includes an explanation of the Fundamental Laws of Bureaucracy and the Twit Percentage The Twitmarsh Files combining both Bureaucrats How to Annoy Them and The Twitmarsh File is the perfect tonic for anyone who has ever had to contend with the more ridiculous aspects of officialdom

Cope's Tobacco Plant, 1877 **Congressional Record** United States. Congress, 1982 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session
