life As I pondered and worked to complete this set of writings I could begin to see better the connection and influence of each of these individuals in what I think today and in all I was writing Clearly to me it was time to build this anthology of memory The writing of each entry is meant to honor and preserve the memory of the person whose story I am telling But the greater inspiration to write this comes from the pages of the Gospel of Matthew where Jesus is recorded saying in chapter 5 verse 6 Let your light shine before men in such a way that they may see your good works and glorify your Father who is in Heaven The works of each of these individuals became Living Light to me shining on steps of the Way of Light that is revealed as the best way of life for our travels here and now I am so grateful to The Father for each one of these people who have been so very significant in my life and I write that their works may shine on Yes I have written in the hope that the people about whom these words are written will not be forgotten In recognizing the Light that each of these individuals was able to shine in his or her unique way the greatest hope is that God will be glorified through the stories of their lives **Amish**
