Among Murderers and Madness Sonny Long, 2012-03-14 Covers a nearly 20 year journey from the murders of Gerri Faye Butts and her two children Jessica and Mackenzie to the guilty plea of Kevin Haily      **Murder and Madness** Matthew G. Schoenbachler, 2009-11-13 The Kentucky Tragedy was early America s best known true crime story In 1825 Jereboam O Beauchamp assassinated Kentucky attorney general Solomon P Sharp The murder trial conviction and execution of the killer as well as the suicide of his wife Anna Cooke Beauchamp fascinated Americans The episode became the basis of dozens of novels and plays composed by some of the country s most esteemed literary talents among them Edgar Allan Poe and William Gilmore Simms In Murder and Madness Matthew G Schoenbachler peels away two centuries of myth to provide a more accurate account of the murder Schoenbachler also reveals how Jereboam and Anna Beauchamp shaped the meaning and memory of the event by manipulating romantic ideals at the heart of early American society Concocting a story in which Solomon Sharp had seduced and abandoned Anna the couple transformed a sordid murder committed because the Beauchamps believed Sharp to be spreading a rumor that Anna had had an affair with a family slave into a maudlin tale of feminine virtue assailed honor asserted and a young rebel s revenge Murder and Madness reveals the true story behind the murder and demonstrates enduring influence of Romanticism in early America      **The Albany Law Journal** ,1884

Murder, Magic, Madness Davies Owen, 2014-05-22 In 1856 William Dove a young tenant farmer was tried and executed for the poisoning of his wife Harriet The trial might have been a straightforward case of homicide but because Dove became involved with Henry Harrison a Leeds wizard and demonstrated through his actions and words a strong belief in magic and the powers of the devil considerable effort was made to establish whether these beliefs were symptomatic of insanity It seems that Dove murdered his wife to hasten a prediction made by Harrison that he would remarry a more attractive and wealthy woman Dove employed Harrison to perform various acts of magic and also made his own written pact with the devil to improve his personal circumstances The book will study Dove s beliefs and Harrison s activities within the rural and urban communities in which they lived and examine how modern cultures attempted to explain this largely hidden mental world which was so sensationally exposed The Victorian period is often portrayed as an age of great social and educational progress This book shows how beliefs dismissed by some Victorians as medieval superstitions continued to influence the thoughts and actions of many people viz most famously Conan table tapper Doyle      **Criminal Investigative Failures** D.
