Buying Guide 2008 Consumer Reports,2007-11-13 *Bomber Command* Roddy MacKenzie,2023-02-16 Roddy MacKenzie s father served in Bomber Command during the Second World War but like so many brave veterans who had survived the war he spoke little of his exploits So when Roddy started on his personal journey to discover something of what his father had achieved he uncovered a great deal about the devastating effectiveness of Bomber Command and the vital role it played in the defeat of Third Reich He realised that the true story of Bomber Command s achievements has never been told nor fully acknowledged Roddy became a man on a mission and this startlingly revealing and often personal study is the result *Bomber Command Churchill s Greatest Triumph* takes the reader through the early days of the Second World War and introduces all the key individuals who turned the Command into the war winning weapon it eventually became as well as detailing the men and machines which flew night after night into the heart of Hitler s Germany The main focus of his book is the destruction and dislocation wrought by the bombing to reduce and ultimately destroy Germany s ability to make war In his analysis Roddy dug deep into German archival material to uncover facts rarely presented to either German or English language readers These demonstrate that Bomber Command s continual efforts at appalling cost in aircrew casualties and aircraft losses did far more damage to the Reich than the Allies knew Roddy s father served with the Royal Canadian Air Force and Roddy naturally highlights its contribution to Bomber Command s successes another aspect of this fascinating story which the author believes has not been duly recognized *Bomber Command Churchill s Greatest Triumph* will certainly raise the debate on the controversial strategy adopted by Bomber Harris and how he was perceived by many to have overstepped his remit But most of all this book will revise people s understanding of just how important the endeavours were of those men who flew through the dark and through the searchlights the flak and the enemy night fighters to bring the Second World War in Europe to its crushing conclusion *Car and Driver* ,2006 [Consumer Reports Buying Guide](#) Consumer Reports,2007-11 This is the 2008 edition to get help with trusted product reviews and comparisons [San Diego Magazine](#)
