For deals on wheels 2013 will be a perfect storm. There's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar a worldwide recession driving prices downward and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices 2013 car buyers will see more generous cash rebates low financing rates bargain leases and free auto maintenance programs. Buy sell or hold. Abecedario de Juárez Julián Cardona, Alice Leora Briggs, 2022-05-15 Southwest Book Awards Border Regional Library Association BRLA Uses key words and striking images to explore violence and everyday life in Juárez Mexico. Juárez Mexico is known for violence. The femicides of the 1990s and the cartel mayhem that followed made it one of the world's most dangerous cities. Along with the violence came a new lexicon that traveled from person to person across rivers and borders wherever it was needed to explain the horrors taking place. From personal interviews media accounts and conversations on the street Julián Cardona and Alice Leora Briggs have collected the words and slang that make up the brutal language of Juárez creating a glossary that serves as a linguistic portrait of the city and its violence. Organized alphabetically the entries consist of Spanish and Spanglish accompanied by short English definitions. Some also feature a longer narrative drawn from interviews stories that put the terms in context and provide a personal counterpoint to media reports of the same events. Letters and many of the entries are supplemented with Briggs's evocative illustrations which are reminiscent of Hans Holbein's famous Alphabet of Death. Together the words drawings and descriptions in ABCedario de Juárez both document and interpret the everyday violence of this vital border city.
