Covenantal Dispensationalism Matthew Stamper, 2010-03-23 Covenantal Dispensationalism reviews the history and development of Covenant Theology and Dispensationalism along the way highlighting the strengths and weaknesses of each hermeneutical system This work illustrates how the two sides have grown apart and seeks to reconcile the two by appealing to common theological concepts the two schools share as well as providing critique where one side has better evidence for a particular point of doctrine

Participation and Covenant Dick Moes, 2024-03-13 In *Participation and Covenant: Contours of a Theodramatic Theology* Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center. In doing so, he enters into conversation with covenant or federal theology, particularly as it has been presented by Michael Horton, in which the integrative center is the concept of the covenant. He argues that God's fundamental relationship with humanity does not entail a covenant ontology, a fundamentally legal and ethical relationship to God as we find in Horton's presentation, but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit. For this relationship, we were created, and this participation is therefore natural to us. Accordingly, a theodramatic framework that incorporates a reframed understanding of divine-human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church more than Horton's framework of covenant theology.

The Hermeneutics of the Biblical Writers Abner Chou, 2019-03-21 A method of interpretation, a hermeneutic, is indispensable for understanding Scripture, constructing theology, and living the Christian life, but most contemporary hermeneutical systems fail to acknowledge the principles and practices of the biblical writers themselves. Christians today cannot employ a truly biblical view of the Bible unless they understand why the prophets and apostles interpreted Scripture the way they did. To this end, Abner Chou proposes a hermeneutic of obedience in which believers learn to interpret Scripture the way the biblical authors did, including understanding the New Testament's use of the Old Testament. Chou first unfolds the prophetic hermeneutic of the Old Testament authors and demonstrates the continuity of this approach with the apostolic hermeneutic of the New Testament authors.

Christian Zionism Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer's groundbreaking critique of Christian Zionism. His comprehensive overview of its roots, its theological basis, and its political consequences is very timely. I myself believe that Zionism, both political and Christian, is incompatible with biblical faith. Stephen's book has helped to reinforce this conviction. Rev. Dr. John Stott: I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism. He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology. Canon Naim Ateek: Stephen Sizer's *Christian Zionism: Road Map to Armageddon* is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel. Sizer writes as an insider within the church, not as a critic watching from afar. And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology. One quick read of this book will change anyone's perspective on the Middle East permanently. Professor Gary M. Burge: Congratulations on *Christian Zionism*. The index alone makes my mouth water, since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching. I couldn't be happier that this is published. You and I see eye to eye on this issue. Yours is a true prophetic voice, so badly needed in the current

prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn-Sherbok *For the Love of God's Word* Andreas J. Köstenberger, Richard D. Patterson, 2019-03-21 An introduction to a clear method of biblical interpretation For the Love of God's Word is an abridged less technical version of Köstenberger and Patterson's acclaimed *Invitation to Biblical Interpretation* Students, teachers and pastors alike will find this introduction to biblical hermeneutics to be an accessible resource with both breadth and substance Built on the premise that every passage requires careful scrutiny of its historical setting, literary dimension and theological message, this volume teaches a simple threefold method that is applicable to every passage of Scripture regardless of genre In addition, the book sets forth specific strategies for interpreting the various genres of Scripture from poetry to epistle to prophecy A final chapter is devoted to helpful Bible study resources that will equip the reader to apply Scripture to life This book will serve as a standard text for interpreting Scripture that is both academically responsible and accessible for pastors, teachers and college students This volume will enable students of Scripture to grow in love for God's Word as they grow in the disciplines of study and discernment **A Basic Guide to Biblical Theology** Alan J. God's Kingdom through His Priest-King J. Alexander Rutherford, 2019-05-24 Though many studies have probed the significance of the Davidic Covenant 2 Sam 7 1 17 within the biblical canon few have endeavoured to explore its significance within the narrative of Samuel This thesis argues that by weaving references to God's promises made to David collectively known as the Davidic Covenant throughout his narrative that author of Samuel reveals God's will to strip away all human pretension by bringing His promises to fulfillment through the lowly David whose ascension to kingship and endurance therein is owing all to God In this way the author fulfills his purpose to demonstrate God's sovereign working in history to establish His kingdom on earth through His chosen priest king a descendant of David in fulfillment of the promises He made beforehand Engaging in a literary close reading of the text of Samuel the author shows how the narrative of Samuel is shaped towards this end
