Get started

The sixty years between 1800 and 1860 saw the politics, religion, language, literature, art, population, and economy of the young United States change with remarkable speed, forever shaping American history. To help see the variety and depth of those changes, this StoryMap offers a geographic and chronological map of the era, connecting to helpful websites, a traveling that explores places today, and learning resources for use in classes. It presents portraits and images of people who confronted the challenges and opportunities of these critical decades of American history. The stories of those people and of this time are explored in the book that inspired this project: *American Visions: The United States, 1800–1860*, by Edward L. Ayers.
