Accountable Care Organizations Your Guide To Strategy Design And Implementation Ache Management:

Clinical Laboratory Management Lynne S. Garcia, 2013-11-15 This totally revised second edition is a comprehensive volume presenting authoritative information on the management challenges facing today's clinical laboratories. Provides thorough coverage of management topics such as managerial leadership, personnel, business planning, information management, regulatory management, reimbursement, generation of revenue, and more. Includes valuable administrative resources including checklists, worksheets, forms, and online resources. Serves as an essential resource for all clinical laboratories from the physician's office to hospital clinical labs to the largest commercial reference laboratories, providing practical information in the fields of medicine and healthcare, clinical pathology, and clinical laboratory management for practitioners, managers, and individuals training to enter these fields. *Accountable Care Organizations* Robert James Cimasi, 2013-06-05 An accountable care organization (ACO) is a healthcare organization characterized by a payment and care delivery model that seeks to tie provider reimbursements to quality metrics and reductions in the total cost of care for an assigned group of patients. *Accountable Care Organizations: Value Metrics and Capital Formation* explores the historical ba

Accountable Care Organizations Marc Bard, 2011 Is the ACO strategy right for your organization? *Accountable Care Organizations* will help you understand the ACO framework and assess your readiness to embark on an ACO strategy. This book provides the structural blueprints, management skills, and cultural tools necessary to implement a successful ACO. Practical advice is bolstered with real-world examples of leading healthcare providers that are pioneers in the rapidly changing world of accountable care. This guidebook is designed to facilitate critical conversations and decisions at all stages of the ACO development journey. Explore processes and structures and learn how to implement pilots to shape your own ACO delivery model. Each chapter includes takeaway points and tailored action steps for 1) organizations interested in exploring the ACO concept, 2) organizations taking the first steps towards an ACO model, and 3) organizations already moving full speed ahead. This book will help you answer these questions and more: What does it take to become an ACO? What steps and actions should your organization take to implement an ACO strategy? How can organizational culture support your move to accountable care? How can you build a business plan to support an ACO strategy? What information technology is needed to implement an ACO strategy? How can an ACO best negotiate with third-party payers? **Forthcoming Books** Rose
