Gerald Hughes, 2014-01-16 Focusing on the Cold War and the post Cold War eras R Gerald Hughes explores the continuing influence of Appeasement on British foreign policy and re evaluates the relationship between British society and Appeasement both as historical memory and as a foreign policy process The Postwar Legacy of Appeasement explores the reaction of British policy makers to the legacies of the era of Appeasement the memory of Appeasement in public opinion and the media and the use of Appeasement as a motif in political debate regarding threats faced by Britain in the post war era Using many previously unpublished archival sources this book clearly demonstrates that many of the core British beliefs and cultural norms that had underpinned the Chamberlainite Appeasement of the 1930s persisted in the postwar period **The Labour Party and Taxation** Richard Whiting, 2001-01-25 This is a political history of Labour's use of the tax system from 1906 to 1979 an epilogue brings the story up to the present surveying New Labour's tax policies and dilemmas Richard Whiting's broad ranging lucid and readable study examines how Labour used tax to further its political aims of funding welfare managing the economy promoting fairness and achieving greater equality Whiting also shows the limits of Labour's ability to achieve a more equal society in this way assesses the ability and standing of key figures in the Labour movement and delineates the problems caused by the political role of the trade unions This study provides an original perspective on Labour's history and is a valuable contribution to understanding both the tax structure and the politics of twentieth century Britain more generally *Bernard Shaw and the Webbs* Bernard Shaw, 2002-01-01 This collection of 140 annotated letters 74 of which have never been published documents the subsequent friendship and collaboration shared by Shaw Webb and Webb's wife Beatrice throughout their lives Keynes Scholar Fouad Sabry, 2024-04-20 Who is Keynes Scholar Robert Jacob Alexander Baron Skidelsky is a British economic historian He is the
