Secrets of Worship Tina Winn, 2011-09-06. *SECRETS OF WORSHIP* is a teaching manual to help teach children HOW to worship in a sanctuary. Most adults learned how to worship from imitating their parents or other adults in church. We all need to learn the mechanics in a worship service before the spiritual level can be achieved. This is a class for children to learn who, what, where, when, and why behind a worship service. There are explanations for the Latin words used as well as who is involved in each segment. There are secrets for the children to help them relate to worshipping, making it more fun for them. Many churches use the junior church concept. *Secrets of worship* takes that concept to a new level, requiring the children to attend the whole church service in order to experience all the aspects of worship. Once the children are familiar as to what

will happen in the service they become more comfortable in being in church There are also ideas for worship materials that don't entertain but allow the children to learn and participate while in the worship service **My First Praise Songs**
