Jesus Family Reunion:

Jesus and the Family Frank G. Honeycutt, 2013-08-20 There are few more loaded words in American life than family Jesus grew up in one and honored his parents in fulfillment of the commandments But his teachings on family life stand among the most jarring things he ever said Jesus invites serious followers to hate mother and father He predicts discipleship will bring division rather than peace to family life He completely recasts the definition of kinship as whoever does the will of God In an era when families face unprecedented challenges sticking together for the long haul Jesus's words at first glance seem to welcome disintegration of the Christian household rather than offering healing and a clear way forward This book examines the off putting words of Jesus in the wider context of radical allegiance and baptismal priority In a country where family devotion is akin to honoring the national flag Honeycutt unpacks an old word for a new generation of Christians called to place Jesus first in all things It's only then that we'll be able to truly help those who share a common roof and lineage

Preaching Mark in Two Voices Brian K. Blount, Gary W. Charles, 2002-01-01 Brian Blount and Gary Charles team up to introduce us anew to Mark's Gospel Reinterpreting Mark through sermons preached out of very different socio cultural contexts Blount draws parallels between Mark's message and the African American church's heritage of slavery and oppression while Charles wrestles with making the Gospel relevant to well educated white suburbanites Each chapter begins with an exegetical study and sermon by one author Then the other preacher responds from his own context offering a different view of the text

Every Scar Tells a Story Yolanda Hawley, 2019-08-08 Every Scar Tells

a Story is based on true events It is filled with stories that will blow your mind in total disbelief The life story of Jack Hawley is filled with despair and total chaos It is a story about a young boy who has lost all hope after being dropped off at a boys home at the age of five Jack had to find his way to survive It was a long road filled with divorce fighting stealing running from the police to almost dying on several different occasions Find out how Jack went from witnessing one tragedy after another to witnessing one miracle after another *Paul's Love Letter to The Ephesians* Ronald E. Bock Sr.,2024-04-12 Paul claims to be a follower of Jesus and appoints apostles to represent him worldwide He emphasizes that Christians live in the world and Christ having two addresses one where they live physically and one where they dwell in their heart with Jesus He defines Christian living as this Paul fervently prays for the church asking God to give them the Spirit of wisdom and revelation and to explore the eternal truths He also prays that the church would grasp God s grace and Christianity s hope Paul emphasizes Jesus resurrection as proof of God s power to remind people that God is still in control He concludes that God exalted Jesus beyond all power and authority and asks people to accept the amazing Lord and Savior they have been given *Life Matters* Adrian Ebens,2011-04-04 I have often found myself chasing this treasure of memories I recently traveled to a place I lived when I was a child and I just soaked up the sights and the sounds visited my old home and relived the memories Memories of Dad and Mum my sister and I sitting around the lounge memories of going running with my Dad memories of playing with my friends in the creek climbing trees and riding bikes I know that the memories are slightly rose glass tinted and there is an incredibly strong bias to only remember the good times but it feels so good and satisfying Building and protecting this kind of treasure safeguards the health of communities and gives hope to generations yet to emerge The treasures of love and affection sweet memories laid down in family rituals and experiences are the fabric of life Without this treasure life has no heart and soul and is reduced to the drudgery of survival Without a series of warm memories connected to special relationships life is meaningless No person can centre and stabilise themselves without some place they can point to with warmth and call home *Buried Treasure* Hunter R. Hill,2021-09-27 Buried Treasure addresses the easily missed or misperceived themes of Mark s Gospel unearthing some surprising discoveries buried treasures waiting to be found The book examines nine Markan themes that emerge from the characters events and structure of Mark s story In each chapter readers follow a single theme discovering narrative treasures along the way Hunter R Hill tells present day stories of transformation and change drawn from myriad sources including his own life and connects them to Mark s narrative of transformation resurrection and change He links today s human realities and hopes to those discovered in Mark s artful account of the life of Jesus and those who imperfectly followed him Hill also draws on the insight of his own master teachers and mentors whose observations reveal and crystallize the good news unearthed over the years Even for those who have spent a lifetime reading the Bible much remains to be discovered in Mark s story with Hunter R Hill as a gracious thoughtful guide By reading Buried Treasure readers unearth the riches of Mark s Gospel **Cracking the Twin Global Reset Code** Philip R.
