

# Judicial Branch Vocabulary

- **Jurisdiction:** the authority to hear and decide a case
- **Exclusive Jurisdiction:** only Federal Courts can hear Federal cases or only State Courts can hear States Cases
- **Concurrent Jurisdiction:** Both Federal and State Courts can hear a case when both Federal and State Law was broken.
- **Original Jurisdiction:** the authority to hear the case first. All Federal cases must start in Federal District Courts.
- **Appellate Jurisdiction:** the authority to hear a case that has been appealed from a lower court.
- **Appeal:** request the decision of a lower court be reviewed
- **Remanding:** send a case back to a lower court to be heard again as part of an appeal process.
- **Opinion:** a detailed legal explanation of a court's decision.
- **Precedent:** a model of a similar court decision used as guidance in the decision making of the court.

Offering a one of a kind teaching resource for Texas history teachers The Big Resource Guide to Teaching and Learning

Texas History by author and teacher Tracey Williams includes everything to make Texas history come alive in the classroom. The teaching units are aligned with the Texas Essential Knowledge and Skills and contain activities, assignments, and assessments to help instructors teach the state curriculum. The Big Resource Guide to Teaching and Learning Texas History covers all major topics in Texas history and offers a graphic organizer to help students record the important details of the topics. This resource includes essential Texas history vocabulary, cross-curricular vocabulary, and end-of-chapter assessments. This guide helps prepare students for assessments and it also aligns with English language arts, offering reading and writing activities. An engaging resource, it allows students to collaborate with their peers, be creative, investigate subject matter, solve problems, and have fun while learning.

*Content-Area Vocabulary Strategies* Walch Publishing, 2002-03-29. Defines and explains important content area vocabulary. Captures interest through a variety of activity formats. Applies vocabulary through writing.

**Teaching ELLs Across Content Areas** Nan Li, 2016-04-01. The book *Teaching ELLs Across Content Areas: Issues and Strategies* is a unique, useful text written for K-12 teachers. This book is the culmination of the professional knowledge, expertise, and experience from the distinguished authors who represent the entire range of the content areas, including language arts, science, mathematics, technology, arts, psychology, and Hispanic studies. The ELL school population has reached 5.3 million, with an increase rate of 51 percent from School Year 1998-1999 to 2008-2009 (NCELA, 2012). By 2025, one out of four K-12 students will be ELLs (NEA Policy Brief, 2013). The NEA data states that the ELLs are the fastest growing student population group in our schools, and providing them with high-quality services and programs is an important investment in America's future (NEA Policy Brief, 2013). With the fast growth of the ELLs in schools, basic information and strategies are needed by all K-12 teachers. This book provides useful information and strategies for all K-12 teachers in content classrooms. This book has three significances. First, the book provides the most needed information for K-12 teachers with issues and strategies that are important in content areas to help ELLs succeed. With the fast growth of the ELLs in schools, K-12 teachers need this information in content classrooms. Second, the book fills the gap related to teaching ELLs in content areas. There are some existing books with titles on teaching ELLs across content areas, yet these books provide general information with fewer books that really address specific content topics. This book is unique because it has the dedicated chapters for specific content areas, e.g., Language Arts, Science, Math, Social Studies, with issues and strategies in these respective contents, as well as general information, e.g., L2 theories for teachers to know and work with ELLs. Third, the book is reader-friendly with carefully crafted chapters. Each chapter begins with a scenario to catch the reader's attention, is followed by issues and strategies, and ends with a summary. A scenario begins with each chapter for teachers to get to know the ELLs with the content that focuses on the related information and teaching strategies. With the continued increase in the ELL school population, this book is intended to help all K-12 teachers in content areas have knowledge and strategies to better serve their ELLs.

**Interactive Notetaking for Content-Area Literacy, Secondary** Judith Goodman, 2018-04-02.

Help students build content area literacy through interactive notetaking This resource provides creative strategies for developing students interactive notetaking skills across the content areas Lessons focus on topics including partner work vocabulary comprehension and summarizing to engage students in critical thinking and analysis This grade range specific resource differentiates instruction to support the needs of students at each grade level Aligned to standards this essential classroom resource will allow students to practice effective learning strategies increasing retention and achievement in mathematics language arts social studies and science

Urban Teaching in America Andrea J. Stairs, Kelly A. Donnell, Alyssa Hadley Dunn, 2012 This book provides undergraduate and graduate students in education with an overview of urban teaching Organized around eight authentic questions it offers pre service and in service teachers opportunities for critical reflection and problem posing not often seen in comparable course texts This text supports staff who are looking for increasingly creative approaches to exploring key educational issues with their students

Social Studies: People We Know, Grade 2 Harcourt School Publishers, 2005-08

Beyond Language Learning Instruction: Transformative Supports for Emergent Bilinguals and Educators Slapac, Alina, Coppersmith, Sarah A., 2019-11-22 Educators all over the world are being challenged to provide effective instruction for culturally and linguistically diverse learners and immigrant communities while valuing and celebrating students cultural backgrounds This task requires training professional development cultural sensitivity and responsibility to promote positive outcomes Beyond Language Learning Instruction Transformative Supports for Emergent Bilinguals and Educators is a critical research publication that bridges linguistics theory and practice and comprehensively addresses all fundamentals of linguistics through the English language learning lens Featuring topics such as curriculum design immigrant students and professional development this book is essential for educators academicians administrators curriculum designers instructional designers researchers policymakers and students

**The Reading Teacher's Book of Lists** Jacqueline E. Kress, Edward B. Fry, 2015-09-28 The essential handbook for reading teachers now aligned with the Common Core The Reading Teacher's Book of Lists is the definitive instructional resource for anyone who teaches reading or works in a K 12 English language arts related field Newly revised and ready for instant application this top seller provides up to date reading writing and language content in more than 240 lists for developing targeted instruction plus section briefs linking content to research based teaching practices This new sixth edition includes a guide that maps the lists to specific Common Core standards for easy lesson planning and features fifty brand new lists on academic and domain specific vocabulary foundation skills rhyming words second language development context clues and more This edition also includes an expanded writing section that covers registers signal and transition words and writers craft Brimming with practical examples key words teaching ideas and activities that can be used as is or adapted to students needs these lists are ready to differentiate instruction for an individual student small group or planning multilevel instruction for your whole class Reading is the center of all school curricula due to recent state and federal initiatives including rigorous standards and new

assessments This book allows to you skip years of curating content and dive right into the classroom armed with smart relevant and effective plans Develop focused learning materials quickly and easily Create unit specific Common Core aligned lesson plans Link classroom practice to key research in reading language arts and learning Adapt ready made ideas to any classroom or level It s more important than ever for students to have access to quality literacy instruction Timely up to date and distinctively smart The Reading Teacher s Book of Lists should be on every English language arts teacher s desk librarian s shelf literacy coach s resource list and reading professor s radar
