**A History of American Poetry** Richard Gray, 2015-03-30. A History of American Poetry presents a comprehensive exploration of the development of American poetic traditions from their pre-Columbian origins to the present day. Offers a detailed and accessible account of the entire range of American poetry. Situates the story of American poetry within crucial social and historical contexts and places individual poets and poems in the relevant intertextual contexts. Explores and interprets American poetry in terms of the international positioning and multicultural character of the United States. Provides readers with a means to understand the individual works and personalities that helped to shape one of the most significant bodies of literature of the past few centuries.

American Fiction of the 1990s Jay Prosser, 2016-04-01. American Fiction of the 1990s: Reflections of History and Culture brings together essays from international experts to examine one of the most vital and energized decades in American literature. This volume reads the rich body of 1990s American fiction in the context of key cultural concerns of the period. The issues that the contributors identify as especially productive include immigration and America's geographical borders, particularly those with Latin America; racial tensions, race relations and racial exchanges; historical memory and the recording of history; sex scandal and the politicization of sexuality; postmodern technologies; terrorism and paranoia. American Fiction of the 1990s examines texts by established authors such as Don DeLillo, Toni Morrison, Philip Roth and Thomas Pynchon, who write some of their most ambitious work in the period, but also by emergent writers such as Sherman Alexie, Chang Rae Lee, E. Annie Proulx, David Foster Wallace and Jonathan Franzen. Offering new insight into both the literature and the culture of the period, as well as the interaction between the two in a way that furthers the New American Studies, this volume will be essential reading for students and lecturers of American literature and culture and late twentieth-century fiction. Contributors include Timothy Aubry, Alex Blazer, Kasia Boddy, Stephen J. Burn, Andrew Dix, Brian Jarvis, Suzanne W. Jones, Peter Knight, A. Robert Lee, Stacey Olster, Derek Parker, Royal Krishna Sen, Zoe Trodd, Andrew Warnes and Nahem Yousaf.

Literature and Ourselves Gloria Mason Henderson, William Day, Sandra Stevenson Waller, 1997. *Latin American Women Writers* Kathy S. Leonard, 2007-09-19. There is a wealth of published literature in English by Latin American women writers, but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published narrative—short stories, novels, novellas, autobiographies and biographies—by Latin American women writers has increased significantly in the last ten to fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled *Latin American Women Writers: A Resource Guide to Titles in English*. This reference includes all forms of narrative: short story, autobiography, novel, novel excerpt and others by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies, biographies or other narrative

and almost 250 novels written by more than 100 authors from 16 different countries For the purposes of this bibliography authors who were born in Latin America and either continue to live there or have immigrated to the United States are included Also titles of pieces are listed as originally written in either Spanish or Portuguese If the book was originally written in English a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published This volume contains seven indexes Authors by Country of Origin Authors Titles of Work Titles of Work Authors Autobiographies Biographies and Other Narrative Anthologies Novels and Novellas in Alphabetical Order by Author and Novels and Novellas by Authors Country of Origin Reflecting the increase in literary production and the facilitation of materials this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market This work of reference will be of special interest to scholars students and instructors interested in narrativ
