Jehovah Witnesses Kingdom Ministry:

Jehovah's Witnesses in Europe Gerhard Besier, 2016-08-17 The religious association of Jehovah's Witnesses has existed for about 150 years in Europe. How Jehovah's Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non-Witness population, the government and established churches. In this respect, the history of Jehovah's Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and integrate religious minorities. Jehovah's Witnesses faced suppression and persecution not only in dictatorships but also in some democratic states. In other countries, however, they developed in relative freedom. How the different situations in the various national societies affected the religious association and what challenges Jehovah's Witnesses had to overcome and still do in part even until our day is the theme of this history volume.

The Unique Beliefs of the Jehovah's Witnesses David Bridges, 2016-01-16 Dr. David Bridges examines and explains the core beliefs of the Jehovah's Witnesses and their origins. This book offers a detailed essay of the teachings of the Watchtower Society from their own viewpoint, and a comparative mainstream Christian theology is then offered for consideration. The information in this book will prepare householders, lay ministers and clergy to discuss their faith with Jehovah's Witnesses in an informed manner. Back cover: *The Four Presidents of the Watch Tower Society (Jehovah's Witnesses)* Edmond C. Gruss, 2003. [Dictionary of J. W. Eise](#) David Reed, 2010-01-03 Jehovah's Witnesses have a unique vocabulary incomprehensible to outsiders. They also use familiar Christian terms to mean something different from standard usage. This book is a dictionary of such J. W. Eise language. Moreover, it explains how JWs engage in doubletalk when speaking with outsiders and tells the reader how to break through that doubletalk to share the Gospel of Christ with those trapped inside the cult. Reed is the author of *Answering Jehovah's Witnesses Subject by Subject* and the popular book *Jehovah's Witnesses Answered Verse by Verse*. This Dictionary of J. W. Eise was originally published in 1997 under the title *Jehovah Talk* by Baker Book House. This volume is the 2010 Lulu edition. **The Orwellian World of Jehovah's Witnesses** Heather Denise Harden Botting, Gary Botting, 1984-01-01 Discusses the history and religious doctrines of the Jehovah's Witnesses and examines the parallels between the religion and George Orwell's novel 1984. **Jehovah's Witnesses** Andrew Holden, 2012-11-12 This is the first major study of the enigmatic religious society. By examining the Jehovah's Witnesses' dramatic recent expansion, Andrew Holden reveals the dependency of their quasi-totalitarian movement on the physical and cultural resources it has brought about: the privatization of religion, the erosion of community and the separation of fact from faith. *REVIEWING 2013 New World Translation of Jehovah's Witnesses* Edward D. Andrews, 2018-01-28 *REVIEWING 2013 New World Translation of Jehovah's Witnesses* is going to challenge your objectivity. Being objective means that personal feelings or opinions do not influence you in considering and representing facts. Being subjective means that your understanding is based on or influenced by personal feelings, tastes or ideas. If the reader finds these insights offensive, it might

be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism **Jehovah's Witnesses** Edmond C. Gruss,2001 **Judging Jehovah's Witnesses** Shawn Francis Peters,2000-04-11 While millions of Americans were defending liberty against the Nazis liberty was under vicious attack at home One of the worst outbreaks of religious persecution in U S history occurred during World War II when Jehovah s Witnesses were intimidated beaten and even imprisoned for refusing to salute the flag or serve in the armed forces Determined to claim their First Amendment rights Jehovah s Witnesses waged a tenacious legal campaign that led to twenty three Supreme Court rulings between 1938 and 1946 Now Shawn Peters has written the first complete account of the personalities events and institutions behind those cases showing that they were more than vindication for unpopular beliefs they were also a turning point in the nation s constitutional commitment to individual rights Peters begins with the story of William Gobitas a Jehovah s Witness whose children refused to salute the flag at school He follows this famous case to the Supreme Court where he captures the intellectual sparring between Justices Frankfurter and Stone over individual liberties then he describes the aftermath of the Court s ruling against Gobitas when angry mobs savagely assaulted Jehovah s Witnesses in hundreds of communities across America Judging Jehovah s Witnesses tells how persecution much of it directed by members of patriotic organizations like the American Legion touched the lives of Witnesses of all ages why the Justice Department and state officials ignored the Witnesses pleas for relief and how the ACLU and liberal clergymen finally stepped forward to help them Drawing on interviews with Witnesses and extensive research in ACLU archives he examines the strategies that beleaguered Witnesses used to combat discrimination and goes beyond the familiar Supreme Court rulings by analyzing more obscure lower court decisions as well By vigorously pursuing their cause the Witnesses helped to inaugurate an era in which individual and minority rights emerged as matters of concern for the Supreme Court and foreshadowed events in the civil rights movement Like the classics Gideon s Trumpet and Simple Justice Judging Jehovah s Witnesses vividly narrates a moving human drama while reminding us of the true meaning of our Constitution and the rights it protects **Jehovah's Witnesses** ,1993 History and teachings of Jehovah s Witnesses organization **Answering Jehovah's Witnesses** David A. Reed,1996-05-01 This book guides Christians to discuss non biblical issues with Jehovah s Witnesses subject by subject in a non confrontational manner **Jehovah's Witnesses Answered Verse by Verse** David A. Reed,1987-08 No other book answers the Jehovah s Witnesses misinterpretation of Scripture so immediately and shows how to use the same Scripture in leading Jehovah s Witnesses to Christ *Saved by Grace* Alice Monterio,2007-04 Monterio relates how Jesus brought the Scriptures to life in

her presence and rescued her and her children from the enemy's snare. Christian **Records and Briefs of the United States Supreme Court**, 1832 *JEHOVAH'S WITNESSES* 101 Edward D. Andrews, 2022-05-18 Each year the Jehovah's Witnesses spend about 2 billion hours evangelizing their communities around the world in 357 languages. Many think that they know the Jehovah's Witnesses, but the sources are usually twofold: 1 They are misinformed Bible scholars who have read books and websites by disgruntled ex-Jehovah's Witnesses; 2 They have read books or comments by disgruntled ex-Jehovah's Witnesses. Herein you will learn a lot that you may have not known and learn some things about how to better evangelize them or if you are even up to evangelize them. Moreover, we will use some arguments often raised about Jehovah's Witnesses as our text, case from such persons as J. Warner Wallace is a leading Evangelical Christian apologist today. Here is what you will need to know in order to effectively share your faith with JWs when they come knocking. **Apocalypse Delayed** M. James Penton, 1997-01-01 M. James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses' inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world-wide. This second edition features an afterword by the author and an expanded bibliography. **The A to Z of Jehovah's Witnesses** George D. Chryssides, 2009 This volume shows how World Wars I & II influenced Watch Tower attitudes to civil government, armed conflict, and medical innovations like blood transfusion, as well as to mainstream churches and the development of Jehovah's Witnesses door-to-door evangelism. The theme of prophecy, the doctrine of the 144,000, end-time calculations, Armageddon, and the Witnesses' denial of hell are all considered in this work, which contains a chronology, an introductory essay, a bibliography, and 250 cross-referenced dictionary entries relating to key people and concepts. Originating from a small group of Bible students led by Charles Taze Russell in the 1870s, the Watch Tower Society grew into an international society. After Russell's death in 1916, Franklin Rutherford was named his successor and gave the society a new name, Jehovah's Witnesses. **Answers to My Jehovah's Witness Friends** Thomas F. Heinze, 2011 Answers you need to witness effectively to Jehovah's Witnesses. When Jehovah's Witnesses come to your door, have you ever wished you could get them off their memorized scripts and show them what the Bible really teaches? Have you ever wished you had the information necessary to lovingly show them why their religion is wrong? Now you can. Using many quotes from Watchtower leaders, this small book exposes the errors of this false religion, presenting thought-provoking questions Jehovah's Witnesses can't answer. Don't turn them away from your door saying, "I'm not interested." Learn the questions that will make them think so you can effectively share the true gospel with them. Did you know? In 1889, Jehovah's Witness founder C. T. Russell predicted the final end of the kingdoms of this world and the establishment of the Kingdom of God will be accomplished at the end of A.D. 1914. This is one in a long list of unfulfilled Jehovah's Witness Bible prophecies that are revealed in this book. **The Politics of Spiritual Work in Christian Movements** Aini Linjakumpu, 2025-08-06 This book examines how three conservative Christian movements, Jehovah's Witnesses, Conservative Laestadians, and the Old Order

Amish attribute spiritual meanings to both paid employment and voluntary work and how work functions as a tool of governance within these communities A central concept developed in this book is spiritual work used to describe forms of labour imbued with religious meaning and purpose This book offers a detailed analysis of how religious interpretations of work regulate members lives and sustain internal power dynamics By tracing both the theological roots and social consequences of these interpretations the study demonstrates that work is not merely an economic necessity but a central component of the moral and spiritual order within these movements Framed by perspectives from the study of power and governance this book identifies three key dimensions through which governance operates via work shaping individual spirituality reinforcing communal belonging and cohesion and regulating the boundary between the religious community and the outside world
