Jim Marrs Our Occulted:

Our Occulted History Jim Marrs, 2013-02-12 The author of Alien Agenda illustrates how human civilization may have originated with non humans who visited earth eons ago and may still be here For years we ve been taught that human progress has been a long slow climb from the primordial ooze to hunter gatherers to empires But what if that s only part of the story Bestselling author and legendary conspiracy researcher Jim Marrs who has investigated the recent financial crisis the JFK assassination and the national socialist takeover of America now takes on his biggest subject the history of mankind Our Occulted History overturns conventional knowledge and beliefs presenting compelling evidence that the earth once hosted prehistoric civilizations using technologies that very well may have surpassed our own Sound unbelievable Just a few hundred years ago so was the concept that the earth revolved around the sun Marrs sifts through the historical scientific and cultural record showing how numerous ancient texts and tablets tell of visitors from the stars colonizing the earth From the flying vimanas of the Hindu Vedic literature and the flying shields reported by the Romans to the mysterious airships of the 1800s and the UFOs of today he argues that someone other than us is still present on this planet But are these visitors simply observers or do they play a much more active and controlling role Jim Marrs raises this shocking question and more in the provocative and persuasive Our Occulted History The truth is out there and in here The Impending Midnight Cry Befekadu Admassu, 2019-12-17 The world is in great turmoil Nuclear cataclysm is a real and present danger and the talk of a third world war has become all too common even among the most influential personalities Political instability is shaking the great nations that once claimed to be bastions of democracy and rule of law Geopolitical rivalry among the superpowers is ripping apart the institutions that ensured relative peace and stability around the globe for the past several decades Moral decline is destroying the nuclear family and the fabric of society particularly in the once Christian West as more people abandon faith and traditional family values Paradoxically we also live in the most technologically advanced age that humanity has ever seen We have the highest level of material wealth information and knowledge governments global and regional organizations schools universities and research centers hospitals doctors and experts in every field of knowledge We have by far the fastest efficient cost effective and convenient means of communication travel production and distribution as well as health care and entertainment than even our most recent progenitors And yet we are becoming more cruel to each other Our leaders want to take us somewhere but they themselves do not know the destination There appears to be a broad realization that the world is not going in the right direction Many are the calls for change of course and diverse the propositions for direction Are we humans left to our own devices to extricate ourselves from the quagmire into which we have fallen Are we condemned to endless failure Is there a hope for us as individuals families communities and nations The Jewish prophets of old who penned the books of the Bible not only foresaw the storms that would billow throughout the many millennia that followed their times but also assured us of a beautiful and lasting final outcome Their predictions have proved true time and

again The most intriguing promise of the prophets was the coming of the Messiah who will rule the world with truth and righteousness The Gospels tell us an even more audacious story that the predictions of the prophets actually came true in the birth of Jesus Christ two thousand years ago The writers of the New Testament have also penned for us the promises of Jesus of Nazareth the only Son of God to come back at the end of the age to establish God's kingdom Could the turmoil we see today be the very birth pangs that will finally usher in the promised kingdom of God The Beast Who Once Was: New **Insight into End Times Prophecy** Chris Relitz, 2014-04-26 The Bible says that there was a beginning of things and that there will be an end Near the end we will see a hero and a villain arise the son of God will battle the son of Satan The prophecies in the Bible have a great deal to say about this but one prophecy has been overlooked until now I will explain to you the mystery of the beast who once was now is not and yet will come This calls for a mind with wisdom Revelation 17 7 9 Here we are told that the Beast the son of Satan once lived but at one time he was not alive and that he would live again The Beast will seem to recover from a fatal wound Revelation 13 3 Not a nearly fatal wound He will seem to recover from death In the end times he will be seen to rise from the grave in imitation of Jesus Christ Who was the Beast But more importantly why is that mysterious fraternity of Freemasons preparing to come to his aid We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was **DNA of the Gods** Chris H. Hardy, 2014-03-21 An in depth study of humanity's Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah Shows how the concepts of sin and the inferiority of women arose from Enlil s will to keep humanity underdeveloped clashing with Enki s and Ninmah s plan to make us equal in intelligence Reveals how humanity s long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin Chris Hardy shows that the gods of ancient myth visitors from the planet Nibiru created us using their own divine DNA first through DNA extraction from their own ribs marrow and later by direct relations with early human females Drawing upon multiple sacred texts Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah with the help of Enki and Hermes She reveals how Ninmah s first female human creation Tiamat Eve contained more alien DNA than the earlier male one Adamu and how the biblical Noah represents the perfection of her work Examining the war between Anunnaki brothers Enki and Enlil Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil s attempts to enslave and then wipe out humanity repeatedly thwarted by Enki and Ninmah The author further explains how the sacred sexuality taught to humans still seen in Tantric practice became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace Showing that the god who created us was not the same god who expelled us from Eden Hardy explains that there will be no apocalypse because the Good Evil duality has never truly existed it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power With a full psychological

understanding of how the ancient gods have shaped humanity s ongoing history of conflict we can move beyond the framework of my Good versus your Evil imposed by Enlil and begin to steer our own planetary destiny The Asylum Shane McMinn,2017-02-27 Earth has been controlled for eons by the dark forces by instilling a project of fear and we have all been deceived on a grand scale They have achieved this by stealth through their secret societies groups governments and institutes to create a New World Order They have controlled populations and culled humans through their man made diseases such as Ebola and HIV AIDS They control humanity with prescription drugs technology food additives vaccines and they suppress the cures for cancer They control the media create wars and initiate acts of terrorism They control politics banking education sciences and religions They are followers of Satanism and some are paedophiles They use mind control programmes and control the illegal drugs trade manipulate the weather and have introduced a police state and have suppressed free energy This is part of the spiritual battle between the dark forces and the forces of light Welcome to the lunatic asylum that is planet Earth The Science of Planetary Signatures in Medicine Jennifer T. Gehl, 2017-01-27 A comprehensive guide to the cosmic influences that underlie health and how to apply them for profound health and healing Examines how ancient and modern traditions of healing interconnect through the doctrine of signatures As above so below Reveals how one s astrological chart has implications for personal health and healing Explains how each sign of the zodiac corresponds not only to parts of the body and its chakras but also to specific plants herbs colors and emotions Explores how to use sound healing to harmonize astrological imbalances When we look at the vast and intricate cosmos galaxies planets organisms organs cells molecules atoms there is a fundamental order a music or harmony of the spheres Our cells reflect the images of galaxies seen through our telescopes We are the microcosm reflecting the macrocosm of the heavens Our ancestors understood these patterns and connections between humanity and the universe and developed spiritual and healing traditions in line with these cosmic truths Yet in the 19th century knowledge of these connections was set aside as medical science sought to create the one size fits all approaches to healing that dominate modern medicine today In this comprehensive exploration of the celestial influences that underlie health and healing Jennifer Gehl with Marc Micozzi examines how ancient and modern traditions of healing interconnect through the doctrine of signatures As above so below She reveals how one s celestial nature the arrangement of the cosmos at the moment of birth has implications for personal health and how each sign of the zodiac corresponds to parts of the body the chakras and specific plants herbs colors and emotions She explains how sound re arranges forms according to the principles of harmony leveraging not only the human self regulating capacity to restore health but also that of the Earth to restore balance and harmony Also explored are the recurrence of geometric forms in nature and how to apply this knowledge in sound healing and medical astrology Weaving together the threads of ancient science and spirit that formed the original tapestry of medicine Gehl explains how to restore the cosmic foundations of healing for personal planetary and universal health and wellbeing *Trumpocalypse* Paul

McGuire, Troy Anderson, 2018-01-02 From the authors of the international bestseller The Babylon Code comes an explosive expos of the chilling truth about the fierce opposition to the Trump presidency and why the globalist elite and Deep State will stop at nothing assassination military coup staged economic collapse or worse to overthrow him Trumpocalypse It s the media coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III an unprecedented nuclear apocalypse ending the world as we know it But is the media telling us the truth No say internationally recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize nominated investigative journalist Troy Anderson America's most insidious enemies are not hostile nations they are elite globalists the Establishment that is making the 1 percent even richer while working and middle class people watch their incomes and net worth s flatline or plummet The authors fearlessly expose the globalist elite s secret plan for humanity and campaign of mass deception Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical economic and military affairs experts faith leaders and biblical scholars McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions government education entertainment international banking and even the media Trumpocalypse explores the enigmatic prophecies and biblical codes involving Trump and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end time narrative unfolds as many people with prophetic gifts are predicting and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse It further reveals why Trump and millions of deplorables are fighting to stop the hidden agenda of the Establishment and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end times awakening that millions are praying for Here is an invitation to join the anti Establishment surge what evangelist Franklin Graham calls the Christian revolution and discover how to fulfill your own destiny in the run up to the Second Coming of Jesus Christ of the Anunnaki Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods evolving relationships with humanity their power struggles and the details of their nuclear war on Earth Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain resulting in the obliteration of Sumerian civilization Draws upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Examines the Anunnakis lack of higher consciousness their reliance on technology their sacred power objects and sacred geometry and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction Drawing upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Chris Hardy reveals the ancient

nuclear event that destroyed the Sumerian civilization and the power struggles of the gods that led up to it The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer Using genetic engineering they created modern humanity to do their mining work and installed themselves as our kings and our gods Anunnaki god Enki had a fatherly relationship with the first two humans Then Enlil Enki s brother took over as Commander of Earth instating a sole god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding This shift imposed a blackout not only of the very human nature of the Anunnaki gods but also of humanity s own ancient past on Earth Two of Enlil s attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel His final attempt after coercing the Assembly of the Gods into voting yes was the nuclear bombing of 5 cities of the Jordan plain including Sodom and Gomorrah which resulted in the destruction of the Sumerian civilization and the Anunnakis own civilization on Earth including their space port in the Sinai The author reveals how after each attempt humanity was saved by Enki chief scientist Ninmah and Enki s son Hermes The author explores how the Anunnakis reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins Weapons of the Gods Nick Redfern, 2025-09-12 In 1945 the Japanese cities of Hiroshima and Nagasaki became the first and last victims of the atom bomb the most destructive man made force our planet has ever known Or were they just the latest in a long line of Armageddon level events Is it possible that our civilization is in reality just one of many Did previous cultures blossom develop and thrive only to destroy themselves tens or hundreds of thousands of years ago with the same atomic technology These are the controversial and thought provoking questions at the heart of Nick Redfern's Weapons of the Gods which argues that many ancient civilizations cracked the secrets of the atom only to become the victims of its awesome terrifying power Still others may have been destroyed by hostile aliens with their own nuclear arsenals Where is the evidence The answer is shockingly simple it s everywhere It s just a matter of knowing where to look for it from the biblical cities of Sodom and Gomorrah and the ancient Pakistani culture of Mohenjo daro Pakistan to the Lonar Crater in India and the revelations in the Ramayana and Mahabharata two ancient Sanskrit texts that describe nuclear warfare thousands of years ago School, 9/11 and JFK Bruce de Torres, 2021-05-21 GOD SCHOOL 9 11 AND JFK by Bruce de Torres exposes the lies that are killing us we are poor miserable sinners who deserve God's condemnation and school's incarceration salvation and careers depend on doing what we are told and the truth that sets us free we are eternal love and consciousness creating all we behold The lies of 9 11 and the JFK assassination prove our government was hijacked by elites who strip our rights wage wars of aggression and accumulate unspendable riches as they seek to rule the world The ideals of the American Founding enthrone our sovereignty our right to be free and oversee a transparent and accountable government What is seen by those who die and return suggests eternal life and safety The truth restores our sanity braces us to play this game of life and allows us to love each other as ourselves as we create the solutions that we need Extraterrestrial Legacies of God, Jesus, and the *Angels* Raphael-Seraphin Kutota Basisa, 2024-01-03 About the Book In some way or form this book is unassumingly a nicer and a more logical organization and interpretation of compounding existing religious writings from a variety of walks of life Herein they are presented as proof drawn synthetically from those multitude of intellectual sources written over the last 4 000 years evidencing that the central figure of the persona translated as the reincarnation of almighty God of Israel himself in Christian literature is simply another Extraterrestrial Alien visiting Planet Earth for a purpose Another visitor just like those well known Anunnaki the Elohim the Nephilim the Sons of God the Watchers the renegade Angels or other entities over several millennia ego And in the many ways how it is related to the current humanity s most pressing problem of whether we are alone and unique in the Cosmos as it is linked to the much witnessed UFO encounters phenomenon It also well outlined the latent consequences resulting from what is presented as postulate About the Author Raphael Seraphin Kutota Basisa currently resides in Lynn Massachusetts He would consider himself a futurist a researcher a world s concerned citizen and a great human being He is a chemical engineer by training and earned an MBA and an ABD in Applied Management and Public Policy He has written and published several technical and non technical documents commentaries articles papers and other books along the subjects of his expertise He believes in extraterrestrial life in regard to religion Basisa is a person whose research helped to recognize early on the theory that we are all descendants of Extraterrestrials and Cosmic religiosity Bloodline of the Gods Nick Redfern, 2025-09-12 Are significant numbers of should be recognized in modern theology humanity the product of an ancient and advanced alien civilization Have we across the millennia been periodically modified and refined as a species In short has our genetic make up been manipulated by otherworldly beings that view human civilization as one big lab experiment These are controversial and thought provoking questions They are also questions that demand answers answers that may very well be found by examining those people whose blood type is Rh negative The vast majority of humankind 85 to 90 percent is Rh positive which means a person s red blood cells contain an antigen directly connected to the Rhesus monkey This antigen is known as the Rh factor Each and every primate on the planet has this antigen except for one the remaining 10 to 15 percent of humans If the theory of evolution is valid that each and every one of us is descended from ancient primates shouldn t we all be Rh positive Yes we should But we re not The Negatives are unlike the rest of us They are different They are the unique individuals whose bloodline may have nothing less than extraterrestrial origins Rosicrucian America Steven Sora, 2019-11-19 An in depth history of Rosicrucianism its key members and their roles in the formation and settling of America Explores Sir Francis Bacon and Dr John Dee s deep influence on England s colonization of America as well as the Rosicrucian influence on the Founding Fathers and on cities such as Philadelphia and Williamsburg Explains how Bacon was the author of many anonymous Rosicrucian texts and how he envisioned America as the New Atlantis Reveals the connections of the Order of the Rosy Cross to the Knights of the Golden Circle and to the

Georgia Guidestones Dr John Dee and his polymath prot g Sir Francis Bacon were the most influential men in the court of Queen Elizabeth I part of an elite group with invisible control throughout Europe And as Steven Sora reveals not only were they key members of the Rosicrucians they were the driving force behind England's colonization of the New World and the eventual establishment of the United States From Avalon in Newfoundland to New England to Pennsylvania and Virginia Sora shows how Bacon and Dee s Rosicrucian impact is felt throughout North America He details Bacon s possible authorship of the anonymous Rosicrucian texts of the early 1600s his connections with Sir Walter Raleigh's School of Night and the origins of Rosicrucianism in Bacon's Order of the Helmet He explains how Bacon envisioned America as the New Atlantis a utopia where liberty and freedom of learning prevailed a key tenet of the Invisible College of the Rosicrucian Order and how Dee convinced the Queen that England had rightful claims in the New World by drawing on legends of both King Arthur and Welsh Prince Madoc voyaging West to America Sora looks at Rosicrucian influences on the Founding Fathers and earliest settlers of America such as Washington Franklin and William Penn of Pennsylvania on the American Revolution and on American colonies such as the Williamsburg colony He details how Penn invited Rosicrucians to Philadelphia and how the city's layout follows esoteric principles including a direct reference to Bacon's New Atlantis Moving into the 1800s and beyond he reveals how a handful of Rosicrucians served as the Inner Sanctum of the Knights of the Golden Circle and how Rosicrucians are behind the Georgia Guidestones carved granite monoliths with messages in ancient languages Providing a thorough and expansive view of Rosicrucianism its occult origins and its deep imprint on America Sora shows how this secret society still continues to exert invisible influence on the modern world The City That Killed the President Tim Cloward, 2023-09-05 A creative cultural history of Dallas through the lens of its defining twentieth century event JFK s assassination The assassination of John F Kennedy on November 22 1963 shocked America Instantly Dallas was blamed for the killing labeled the City of Hate In the half century since the president's murder this city's artists and writers have produced important if often overlooked work that speaks to the difficult burden of our civic shaming Here are the works of poetry theater journalism art the actions of our citizens and political leaders all the fragments of our cultural life that address this tortured local history The City That Killed the President is a fitful discourse offering a window into Dallas itself a city reluctant to grapple with its past The "Nonsense" Papers James W. Astrada, 2021-08-02 Over the past two years a pandemic has gripped the planet in fear with lockdowns restrictions and a transition into a unknown future with transhumanism at its helm While the flow of information has been heavily censored and controlled by a new fact checker system humanity seemingly is only getting one side of the story The SARS Cov2 has been manipulated by the mass media keeping people locked in their homes afraid to go out Controversial theories including this virus being imaginary and that the virus was engineered to control the world population are at the helm of the argument Part one of the third installment of the series questions the state of humanity s future and the fate of our very race with our environmental habits vaccines and their
