2002 Karen Mitchell, Craig Savage, Jim Erwin, 2002 According to a recent national survey more construction contractors use
QuickBooks Pro and QuickBooks than all other accounting programs combined And for good reason QuickBooks Pro excels at
all the routine paperwork in a construction office writing checks keeping track of your bank balance sending out invoices and
statements creating up to the minute profit and loss statements for the month year or by job writing payroll checks paying
suppliers and subcontractors tracking job costs comparing estimated and actual costs for each job and much more But there
s a lot to learn in QuickBooks Pro And converting to a new accounting system can be a complex and confusing task even if
you have a strong background in accounting and plenty of time to install the new system That s why this book was written
because most construction pros aren t accounting experts and have more important work to do at the job site *Estimating*
