Gennawey, 2014-10-20 Universal Studios never really wanted to get into the theme park business They wanted to be the anti Disney But when forced to do so they did it in a big way Despite the fits and starts of multiple owners the parks have finally gained the momentum to mount a serious challenge to the Walt Disney Company How did this happen Who made it happen What does this mean for the theme park industry In *Universal Versus Disney* his newest work to investigate the histories of America's favorite theme parks seasoned Disney author Sam Gennawey has thoroughly researched how Universal Studios shook up the multi billion dollar theme park industry one so long dominated by Walt Disney and his legacy A Guide to Dinosaurs Their Past and Future Rodney Cannon, 2018-06-11 Since seeing my first film about dinosaurs as a child I have wondered about these amazing creatures This had lead me to read many of the available books on the subject but while doing so I found that there was a hole in library of books about the dinosaur Most of them were either historical guides or written for children I had a series of questions that had not been answered in any single book before Questions like How did the dinosaurs really die off Was there more than one theory on their extinction What dinosaurs were harmless and which would be most dangerous to humans if we existed side by side In most of the films like Jurassic Park people found it

impossible to hunt and kill these creatures but with our weapons and technology how would we really fare if the dinosaur actually had to deal with well armed human beings Was the science used in these movies based upon reality or was it really just science fiction If we can clone the family pet then how close are we to bring back the age of the dinosaur I have tried to answer these question with this book I have tried to answer them in a simple and easy to understand way *A Stone in My Shoe* J. Michael Walters,2021-06-15 What s more miserable than trying to walk with a stone in your shoe Many American evangelicals are experiencing pain and discomfort in their relationship to the church Stones in their shoes make the faith journey uncomfortable and increasingly untenable They either leave the church altogether become church shoppers or live on the margins of the church as outliers This book presents the vantage point of a lifelong evangelical pastor and religious educator who sees himself as an outlier Walters draws on decades of pastoral life and classroom experience to engage the church in a conversation aimed at clarifying the concerns and discomforts of evangelical outliers While this is one person s story it intersects with the stories of many others in American evangelicalism especially clergy In identifying the stones which trouble and discomfort so many like him Walters continually calls the church his church back to its biblical and theological foundations

Teaching Science Students to Communicate: A Practical Guide Susan Rowland,Louise Kuchel,2023-04-25 This highly readable book addresses how to teach effective communication in science The first part of the book provides accessible context and theory about communicating science well and is written by experts The second part focuses on the practice of teaching communication in science with nuts and bolts lesson plans direct from the pens of practitioners The book includes over 50 practice chapters each focusing on one or more short teaching activities to target a specific aspect of communication such as writing speaking and listening Implementing the activities is made easy with class run sheets tips and tricks for instructors signposts to related exercises and theory chapters and further resources Theory chapters help build instructor confidence and knowledge on the topic of communicating science The teaching exercises can be used with science students at all levels of education in any discipline and curriculum the only limitation is a wish to learn to communicate better Targeted at science faculty members this book aims to improve and enrich communication teaching within the science curriculum so that science graduates can communicate better as professionals in their discipline and future workplace

A Reader's Guide to Contemporary Literary Theory Raman Selden, Peter Widdowson, Peter Brooker, 2016-12-19 A

Reader's Guide to Contemporary Literary Theory is a classic introduction to the complex yet crucial area of literary theory. This book is known for its clear accessible style and its thorough logical approach guiding the reader through the essentials of literary theory. It includes two new chapters: New Materialisms which incorporates ecocriticism, animal studies, posthumanism, and thing theory; 21st Century and Future Developments which includes technology, digital humanities, ethics, and affect.

The Unofficial Guide to Universal Orlando 2025 Seth Kubersky, Alicia Stella, 2024-12-03 Save time and money with in-depth reviews, ratings, and details from the trusted source for a successful Universal Orlando vacation. How do some guests get on the big new attraction in less than 20 minutes while others wait for longer than 2 hours on the same day? Why do some guests pay full price for their visit when others can save hundreds of dollars? In a theme park every minute and every dollar count. Your vacation is too important to be left to chance, so put the best-selling independent guide to Universal Orlando in your hands and take control of your trip. The Unofficial Guide to Universal Orlando 2025 explains how the resort works and how to use that knowledge to stay ahead of the crowd. Seth Kubersky and debut author Alicia Stella know that you want your vacation to be anything but average, so they employed an expert team of researchers to find the secrets, the shortcuts, and the bargains that are sure to make your vacation exceptional. Find out what's available in every category, ranked from best to worst, and get detailed plans to make the most of your time at Universal. Stay at a top-rated hotel, eat at the best restaurants, and experience all the most popular attractions at Universal Studios Florida, Islands of Adventure, and Volcano Bay. Keep in the know on the latest updates and changes at Universal Orlando. Here's what's NEW in the 2025 book. Learn when to visit Universal to get lower crowds and bigger hotel discounts. Find updated advice on taking advantage of Early Park Admission, Universal Express, and other time-saving tricks. Get an up-close look at each Universal resort hotel, including the luxurious new Helios Grand. Read ratings and reviews of fresh dining options throughout the parks and resorts, including plant-based menu items. Take advantage of the most comprehensive guide available to Universal's brand new Epic Universe theme park with detailed coverage of every ride, show, and restaurant. Discover tips for experiencing Hagrid's Magical Creatures Motorbike Adventure and the Jurassic World VelociCoaster at Islands of Adventure. Enjoy reviews of the Trolls roller coaster and other kids' attractions in Universal's new DreamWorks Land. Uncover information on the new character parade and nighttime fountain spectacular at Universal Studios Florida. Make the right choices to give your family a vacation they'll never forget. The Unofficial Guide to Universal Orlando 2025 is your key to planning a perfect stay. Whether you're putting together your annual trip or preparing for your first visit, this book gives you the insider scoop on hotels, restaurants, attractions, and more.
