Astral Projection: A Path to Inner Peace and Self-discovery (Proven Techniques and Methods for Learning to Travel Astral Plain) Jeremiah Amos, *Astral Projection Beginner's Guide* offers an exclusive look inside the realm of the spiritual world which is largely unknown to many individuals in today's society. The techniques explained in this book are very clear and doable, requiring no specialized knowledge and no mystic powers. They are techniques that you will find at face value too ordinary to believe. Yet once you get to practice them, you will clear any doubts you ever had about ordinary people doing extraordinary things. You will be a living testimony that all you need is basic but important knowledge to do what a mystic can do in terms of astral projection. In the guide, you will learn about my special technique that has resulted in out of body experiences. Lots of references and links to outside teachers and resources. Learn about the Vibration State and why it's so important to inducing an out of body experience. Learn about Sleep Paralysis and how it's related to Astral Projection. Written by a seasoned practitioner of astral projection and this book is an indispensable guide for anyone interested in exploring the frontiers of consciousness. With step by step instructions, practical tips and fascinating insights. **The Ultimate Guide to Astral Projection** and will take you on an unforgettable journey beyond the limits of reality. **Astral Projection for Beginners** Edain McCoy, 2012-10-08. Visit a realm in which time and space have no meaning, the astral realm. Written for beginners, this friendly guide presents step by step instructions for six easy and effective astral projection techniques. Travel to different times and eras, visit with departed loved ones and explore different astral worlds such as the faerie realm. On the astral plane, it's also possible to heal yourself and achieve improved health, send healing energy to others, receive direction from your spirit guides and view your Akashic records, the astral record of each soul's past and future events. Douglas R. Thomson, 2010-05. *A Step Forward: A New Approach to Spiritualist Ideas* is a channeled book. Although not a large book, the information contained within its pages provides a surprising approach to many spiritual questions and beliefs. This book may have a huge impact on people seeking information about their spiritual path and those interested in further developing their understanding of the spiritual. The book is channeled by Douglas Thomson; however, the source of the information for this book was Doug's guide, Anthony. Concerned that many people only relate to the spiritual in a strictly human context, Anthony uses the book to provide information which may challenge your old beliefs, perhaps help you develop a new understanding and certainly make you consider new possibilities. *Llewellyn's Truth About Out-of-Body Travel* Llewellyn, One out of three people has had an experience in which the conscious part of the self splits from the body for a period of time. But it can be induced consciously and deliberately. In this book, you will learn the truth about Astral healing, Reuniting with loved ones on the astral plane, Astral romance and astral sex, Astral escape, Astral space exploration, Your astral guides, Death's other side, The near death experience, Astral vision into the future, The astral worlds.
