Honoring Tribal Legacies: Guide to designing curriculum D. Michael Pavel,Ella Inglebret,Stephanie Gail Wood,2014 *Resources in Education*,2000-04 *Emergent Bilingual Students and Their Academic Performance* John R. Slate,Clare A. Resilla,2023-09-07

Emergent Bilinguals formerly known as English Language Learners are one of the fastest growing subgroups in the United States Their educational needs are not well met by the educational system In this book we report results of empirical multiyear studies about their reading and mathematics performance both at the elementary school and high school levels Given that state education agencies collect enormous amounts of information that are typically not well analyzed this book serves as an exemplar of secondary data analyses Educational leaders educational researchers and legislators and policymakers will find the chapters in this book useful Findings from these statewide analyses can provide readers with baselines of the performance of Emergent Bilingual students prior to the Covid 19 pandemic in reading and in mathematics Changes in instructional practices and in educational programming could be made based upon the numerous statistical results present in this book

Dual Language Education: Teaching and Leading in Two Languages David E. DeMatthews,Elena Izquierdo,2019-05-13 This book provides a comprehensive and interdisciplinary examination of dual language education for Latina o English language learners ELLs in the United States with a particular focus on the state of Texas and the U S Mexico border The book is broken into three parts Part I examines how Latina o ELLs have been historically underserved in public schools and how this has contributed to numerous educational inequities Part II examines bilingualism biliteracy and dual language education as an effective model for addressing the inequities identified in Part I Part III examines research on dual language education in a large urban school district a high performing elementary school

that serves a high proportion of ELLs along the Texas Mexico border and best practices for principals and teachers This volume explores the potential and realities of dual language education from a historical and social justice lens Most importantly the book shows how successful programs and schools need to address and align many related aspects in order to best serve emergent bilingual Latino as from preparing teachers and administrators to understanding assessment and the impacts of financial inequities on bilingual learners Peter Sayer The Ohio State University USA *Resources in Education* ,1985 *Technical Abstract Bulletin* ,1981 *Who's Who of American Women, 1986-1987* Marquis Who's Who,1986-11
