Alexa Hampton The Language Of Interior Design:

Alexa Hampton: The Language of Interior Design Alexa Hampton, 2010-10-05 At an early age Alexa Hampton learned the language of good design the vocabulary to speak it and the elements that define it As the daughter of interior design legend Mark Hampton she traveled the world by her father's side touring the great architectural landmarks and discovering beauty training her eye Now one of America's most influential designers herself Alexa Hampton provides a tour of stunning residences from her own portfolio Eighteen classic spaces illustrate in rich detail the elements that govern cultivated design contrast proportion color and balance Among the residences are a landmark 1912 McKim Mead an eclectic house by the sea layered in textures patterns and colors a contemporary apartment distinguished by simple geometry and clean lines and Hampton's own apartment filled with an exquisite collection of architectural elements Hampton also explains how she tailored each space to meet her clients needs while retaining a timeless aesthetic and she provides design expertise on everything from fabric schemes to the particulars of paint From a French neoclassical tour de force of architecture artwork and design to a Queen Anne summer cottage furnished to showcase the house's graceful nineteenth century dimensions the spaces here speak the language of design a language that under Hampton's tutelage anyone can master **Decorating in**

Detail Alexa Hampton, 2013-11-05 The celebrated designer and author of *The Language of Interior Design* takes readers deeply into her process of selecting the details for elegant classic homes with inviting living rooms bedrooms dining rooms kitchens and other spaces In her first book Alexa Hampton shared the basics of interior design Contrast Proportion Color and Balance to rave reviews from readers and the media In *Decorating in Detail* Alexa shares the development process for eight elegant homes in locations from New York City to New Orleans Walking readers through each room she describes how she and the homeowners chose all of the elements from textures to fabrics to furniture Sidebars on the best placement for lamps outlets and more inspired by her popular Wall Street Journal Where to column and Sharpie drawings that show how she visualized the room's transformations help the reader build an unprecedented understanding of interior home design as a whole **The Interiors Theory Primer** William Mangold, 2025-07-31 In a world where life is increasingly defined by the spaces we inhabit understanding interiors is essential to understanding ourselves *The Interiors Theory Primer* maps the intellectual terrain of interior design and spatial experience introducing readers to key concepts that shape how people occupy interior spaces Organized into three parts this book begins with foundational concerns such as place identity materiality and atmosphere and then examines the boundaries and expertise of the discipline before turning to critical and emerging topics like biophilia virtuality and social justice Each chapter presents a focused literature review of a major theme in interiors theory supported by key design precedents and suggestions for further reading Drawing on a wide range of scholarship *The Interiors Theory Primer* offers a coherent framework for understanding interiors as a distinct interdisciplinary field deeply embedded in the human condition Accessible to students useful to professionals and provocative

for scholars The Interiors Theory Primer argues that the designed environments in which we live work and gather deserve greater attention not only for their aesthetic and functional qualities but also for their powerful role in shaping contemporary life

Interior Design Masters Mark Hinchman, Elyssa Yoneda, 2018-06-27 *Interior Design Masters* contains 300 biographical entries of people who have significantly impacted design They are the people historical and contemporary that students and practitioners should know Coverage starts in the late Renaissance with a focus on the twentieth and twenty first centuries The book has five sections with the entries alphabetical in each so it can serve as a history textbook and a reference guide The seventeenth and eighteenth century section covers figures from Thomas Chippendale to Horace Walpole The nineteenth century section includes William Morris and Candace Wheeler The early twentieth century section presents modernism s design heroes including Marcel Breuer Eileen Gray and Gilbert Rohde The post World War II designers range from Madeleine Castaing to Raymond Loewy The final contemporary section includes Ron Arad and the Bouroullec brothers These are the canonical figures who belong to any design history The book also contains less well known figures who deserve attention such as Betty Joel the British art deco furniture designer Paul Veysseyre the Frenchman active in China in the 1930s and more recently Lanzavecchia Wai the Italian Singaporean duo whose work ranges from health care to helicopters Global in its coverage the book is richly illustrated with over 600 black and white and color photographs
