Version Control with Subversion Ben Collins-Sussman, Brian W. Fitzpatrick, C. Michael Pilato, 2004-06-22 Introduces the powerful new versioning tool designed to be the successor to CVS An introduction to Subversion is followed by a guided tour of its capabilities Later chapters cover more complex topics of branching repository administration and other advanced features

Subversion in Institutional Change and Stability Jan Olsson, 2016-07-13 This book theorizes subversive action a neglected mechanism in the new institutionalism literature Subversive action is political in nature secretly undermining some institutions to open up alternative ideas or to secure existing institutions by secretly undermining adversaries An example is a politician who promises change in public but does something else behind the scenes to preserve the status quo The book addresses the nature and meaning of subversive action and the contexts that give rise to it as well as how it can work as an important mechanism behind institutional change and continuity The book will interest students and scholars of public policy public administration and political science

Critical Legal Education as a Subversive Activity Helen Gibbon, Ben Golder, Lucas Lixinski, Marina Nehme, Prue Vines, 2015-10-16 In an age when everyone aspires to teach critical thinking skills in the classroom what does it mean to be a subversive law teacher Who or what might a subversive law teacher seek to subvert the authority of the law the university their own authority as teachers perhaps Are law students ripe for subversion agents of or impediments to subversion Do they learn to ask critical questions Responding to the provocation in the classic book *Teaching as a Subversive Activity* by Postman and Weingartner the idea that teaching could or even should be subversive still holds true today and its premise is particularly relevant in the context of legal education We therefore draw on this classic book to discuss in the present volume the consideration of research into legal education as lifetime learning as creating meaning as transformative and as developing world changing thinking within the legal context The volume offers research into classroom experiences and theoretical and historical interrogations of what it means to teach law subversively Primarily aimed at legal educators and doctoral students in law planning careers as academics its insights speak directly to tensions in higher education more broadly

Why are Women more Religious than Men? Marta Trzebiatowska, Steve Bruce, 2012-09-20 Women are more religious than men Despite being excluded from leadership positions in almost every culture and religious tradition women are more likely than men to pray to worship and to claim that their faith is important to them Women also dominate the world of New Age spirituality and are far more superstitious than men This book reviews the now sizeable body of social research to consider if the gender gap in religion is indeed universal Marta Trzebiatowska and Steve Bruce extensively critique competing explanations of the differences found They conclude that the gender gap is not the result of biology but is rather the consequence of important social differences overlapping and

reinforcing each other Responsibility for managing birth child rearing and death for example and attitudes to the body illness and health each play a part In the West the gender gap is exaggerated because the social changes that undermined the plausibility of religion bore most heavily on men first Where the lives of men and women become more similar and where religious indifference grows the gender gap gradually disappears Written in an accessible style whilst drawing some robust conclusions the book s main purpose is to serve as a state of the art review for those interested in one of the largest differences between male and female behaviour *A Peaceable Psychology* Alvin Dueck, Kevin Reimer, 2009-11-01 In the past century psychology has been practiced in the manner of medical science working from the assumption that therapy can transcend particular ethnic and religious traditions Seeking to move the conversation forward this book argues for a theologically culturally and politically sensitive psychotherapy whereby the Christian psychologist treats the patient according to the particulars of the patient s political situation and ethnic and religious tradition while acknowledging the role of his or her own Christian story in therapeutic dialogue The authors point to the life of Jesus as the foundation on which to build a therapeutic ethic appropriating the story of his life to bring healing

citizenship is explored through theoretical and empirical analyses by a range of prominent social researchers *Communist Political Subversion, Part 1*, 2 United States. Congress. House. Un-American Activities, 1957 2000, 中国共产 党 中国 革命

Between Feminism and Orthodox Judaism Yael Israel-Cohen, 2012-07-25 In *Between Feminism and Orthodox Judaism* Yael Israel Cohen offers an analysis of the activism and identity of women considered at the forefront of the feminist challenge to Orthodoxy Through a look at women's battle over synagogue ritual and the ordination of women rabbis an intricate and complex picture of identity resistance and religious change is revealed Some of the central questions that Yael Israel Cohen explores are How do modern Orthodox women strategize to implement feminist changes How do they deal with what at least on the surface seem to be conflicting allegiances How do they perceive their role as agents of change and what are the ramifications of their activism for how we understand the boundaries of Orthodoxy more generally *Between Feminism and Orthodox Judaism* represents an interpretive study at its finest It is well written theoretically sophisticated and grounded within the literature I highly recommend this book for scholars and nonscholars alike who are interested in studies of women's resistance in conservative settings Faezeh Bahreini University of South Florida Tampa Congressional Record United States. Congress, 1971 **Dreams of Subversion in Medieval Jewish Art and Literature**, 1997 Europe's Jewish minority culture was subjected to a barrage of public images proclaiming the dominance of the Christian majority This book is the first to explore the Jewish response to this assault in the development of a visual culture through which Jews could affirmatively construct their identity as a people It demonstrates how medieval Jews gave voice to messages of protest and dreams of subversion by actively appropriating and transforming the quintessential symbols of the dominant culture For Youth Workers and Youth Work Doug Nicholls, 2012-09-22 In this unique and passionate book Doug Nicholls proposes a cultural revolution within youth work He draws on the best of youth work's past to redesign the youth work map for today He speaks with wit wisdom and warmth to youth workers about their craft Yet he takes no intellectual prisoners in proposing a new role for youth work in the struggle for social justice No student or practitioner should miss it **Faith Seeking Conviviality** Samuel E. Ewell, 2019-12-30 *Faith Seeking Conviviality* traces the journey of a U S missionary into Brazil and beyond seeking to be faithfully present while also questioning the default settings of good intentions Taking Ivan Illich as the primary theological guide on that journey *Faith Seeking Conviviality* narrates the discovery of a renewed imagination for Christian mission that arises as a response to two persistent questions First given the colonial history of Christian missionary expansion on what basis do we go on fulfilling the Great Commission Matt 28:16-20 as Christ's disciples A second question intimately related to the first is What makes it possible to embody a distinctively Christian presence that is missionary without being manipulative In doing theology with and after Ivan Illich *Faith Seeking Conviviality* does not offer a pull off the shelf model for mission but rather a framework for embodying the incarnational logic of mission that entails a convivial turn delinking missionary discipleship from the lure of techniques and institutional dependence in order to receive and to share

the peace of Christ relationally **Essays on Language, Communication and Literature in Africa** Joyce T. Mathangwane, Akin Odebunmi, 2016-02-08 *Essays on Language Communication and Literature in Africa* explores language choice questions together with domain driven lingua communicative and literary resources situated within the discourses of law culture medicine visual art politics the media music and literature in Africa It identifies the distinctive African paraphernalia of these discourses and foregrounds their real world and mediated cultural and societal values and highlights the Western presence through the inclusion of aspects of Shakespearean perspectives which bear universal tidings and speak to the African gender tradition The chapters attention to verbal and visual artistic communicative mechanisms underlines such engagements as multilingualism policies socio political declension social dynamism and cultural interventions that characterise the African setting These realities are discussed in impressive detail authoritative scholastic depth and effective stylistic tones that reflect the authors familiarity with the facets of African societies deducible from language communication and literature **Humoring Resistance** Dianna C. Niebylski, 2012-02-01 *Contextualizing theoretical debates about the political uses of gendered humor and female excess* this book explores bold new ways in which a number of contemporary Latin American women authors approach questions of identity and community The author examines the connections among strategic uses of humor women s bodies and resistance in works of fiction by Laura Esquivel Ana Lydia Vega Luisa Valenzuela Armon a Somers and Alicia Borinsky She shows how the interarticulation of the comic and comic grotesque vision with different types of excessive female bodies can result in new configurations of female subjectivity *The Spiritual Practice of Remembering* Margaret Bendroth, 2013-11-11 We often dismiss history as dull or irrelevant but our modern disengagement from the past puts us fundamentally out of step with the long witness of the Christian tradition Yet says Margaret Bendroth the past tense is essential to our language of faith and without it our conversation is limited and thin This accessible beautifully written book presents a new argument for honoring the past The Christian tradition gives us the powerful image of a vast communion of saints all of God s people both living and dead in vital conversation with each other This kind of connection with our ancestors in the faith Bendroth maintains will not happen by wishing or by accident She argues that remembering must become a regular spiritual practice part of the rhythm of our daily lives as we recognize our world to be in many ways a gift from others who have gone before
